PRAYER GUIDE FOR LWML MISSION GRANTS

Healthy Families

PRAYER #1

Dear Lord, The family unit as You intended is in constant attack by this sinful world. The devil has long used poverty as a sword to destroy families, many times stabbing away at all hope, joy and love and cutting away at the ability of providing even the basic human needs. We ask Your continued blessings on the Centers for Healthy Families of Nebraska as they reach out to these suffering families with Christian love and assistance. In Jesus' name we pray. Amen.

PRAYER #2

Heavenly Father, You bless many families with children to nurture, care, and love, but too many times the children are neglected and abused. For those too small to defend themselves, we are called upon to be their advocates. We thank You for Christian human care services such as Lutheran Family Services that provide aid to these children through supplying basic needs for proper health and care, parenting classes, and support groups ready to share Christ's love. Please keep those providing these services aware of Your love and comfort especially when they become tired and discouraged. These things we ask through Jesus Christ. Amen.

PRAYER #3

Lord, You have instructed parents to love and care for their children. The world has robbed many of the knowledge and abilities to follow these instructions. We ask blessings upon the Centers for Healthy Families as they strive to assist those desiring knowledge and aid in providing a safe, secure and healthy home for their children. Please guide the work of the staff and volunteers as they seek to protect the unborn, infants and children. In Jesus' name we pray. Amen.

PRAYER #4

Father, we ask Your blessings on the mites given in love that will be used in the continued service to families in need. Many young children are living in an unstable and unsafe family atmosphere. May these mites provide needy children with a family unit based on the same love and care You so graciously provide all who call upon Your name. May we be reminded daily of this love as we seek to share our source of hope with those in need; the hope we are sure of through our faith in Your Son and our Savior, Jesus Christ. Amen.
