Dear Parents:
How did it become November already? They say time flies when you're having fun! We certainly are having fun at school! Thank you to all the moms, dads, and grandmas who attended our coffee hours. We enjoyed getting to chat with you. For those that were not able to attend, please know the staff and I are willing to discuss your child's activities at school. Also much thanks to all the families that donated items, money and or came out and celebrated Fall Fun Day this year. It was a great day. I am also very appreciative of my staff who helped make this such a good memory for all our families. We also want to thank Chris Middledorf for coming to school with one of his big yellow school buses. The children really enjoyed sitting on the bus, singing and taking pictures. Thank you again Chris for giving the students a peak at what transportation they may use in the future to get to their new schools.

Speaking of thanks… we are getting ready to celebrate Thanksgiving at school. On Friday, November 16th, our two-year-olds who love routine…will come to school at their regularly scheduled class time and parents are invited to join us at 10:15 am for a simple feast and fun craft. And, our threes and pre k classes will gather at 11:30 am to celebrate the First Thanksgiving. There will be a presentation upstairs in the sanctuary followed by a luncheon feast downstairs. There is a detailed note for each event being sent home.

At school this month we will be focusing on the following letters: Review, Gg, Ee and Vv. Our color is Brown. Our numbers are 2 & 3.. The shape of the month is the square. Our themes are My Healthy Body, Thanksgiving and when we return from break…Advent/ Christmas. Our Bible stories will include: "Jesus Feeds 5,000", "God Provides", "Elijah" and "Mary's Visitor".

I am very thankful for each of you and happy that you chose Little Lambs for your child's preschool experience. May God abundantly bless your family. Happy Thanksgiving!

Blessings,
Angie Hohl
Program Director

Christmas News

For those early planners, here is the scoop for Christmas at LLPS. Our tradition is to have a Happy Birthday Jesus Party for each class. All of these parties are held in the child's class on the last scheduled school day before Christmas break. Each child is encouraged to bring a gift for the school. After Thanksgiving you will find a display in or near your child's class. You are asked to remove an ornament, purchase the item and wrap it. If you choose more than one item, we ask that you wrap the items as ONE GIFT. Our goal is to have each child open ONE GIFT. The gifts are brought to school the day of the party and the children open the gift they brought.
Please label the gift. To: LLPS
From: Child's Name

If you choose not to participate, we will have a gift for your child to open.
More information will be sent home in early December.

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him. Colossians 3:17

What do you say Pre K?

Happy November!
October will wrap up with our unit on My Healthy Body. We will talk about what a healthy plate should look like and create one of our own. Turkey Day will be here before we know it. We have a lot of fun activities planned for out Thanksgiving unit. Painting a replica of the Mayflower is always a big hit. Our "Five Little Turkeys" book and turkey feather match will help us with our number recognition. We will spend time talking about being thankful and then make a class thankful book. Our Thanksgiving unit will end with our "little turkeys" performing in our Thanksgiving program. Please be sure to join us for our program and feast on Friday, November 16th. Gobble! Gobble! After Thanksgiving break our unit will be Advent where we will begin to prepare for the birth of Christ.

Fall Blessings,
Stephanie & Cindy
Renee' & Peggy

Owl Eyes on the 3s

Happy November!
This month we give thanks to God for all of the beautiful gifts He has given us. We will start the month talking about Thanksgiving. We will make costumes for our Thanksgiving feast along with learning songs for our program. Our counting and matching skills will be used while playing a games about Thanksgiving. We will also make turkey decorations for home. Reading books like " I Know An Old Lady Who Swallowed a Pie" will help us learn about things we eat on Thanksgiving. After Thanksgiving break, we will being preparing for Advent. We'll start by making an Advent calendar and begin talking about the birth of Jesus. We look forward to seeing you all at the Thanksgiving feast later in the month!

Blessings,
Rebekah,& Jenny
Sandy & Joanne

News for the 2s

Happy November! What a fun month we had learning about changing leaves and how we get to and from different places. We are ready to kick off November by learning about keeping our bodies healthy. We will show how using soap to wash our hands helps keep the germs away. As we head into our Thanksgiving theme, we will talk about things we are thankful for. We will make a Thanksgiving placemat and learn a song about 5 Little Turkeys. Just a friendly re-minder as the weather turn cool please make sure your child has the appropriate change of clothes in their backpack. Thank you!

Blessings,
Jenny B, Jenny W & Mary

Outside Activities

We go outside everyday that we can. It will soon be chilly and your child may need a hat, scarf and or mittens. Since we do not routinely go through backpacks, please leave outerwear on top of their coat or in their sleeve at drop off time. Label everything please.
Thank you so much as it will help us greatly in the classroom trying to get outside in a timely fashion.
