Welcome Spring!

We hope your family is enjoying this time of year between winter and spring, and between Lent and Easter. We can't wait for sunny days and signs of new life - such as baby birds and blooming flowers.

Right now in Lent we remember the suffering our Savior endured for us on the cross. This is a time of reflection and repentance. Soon, this sadness will be replaced with great joy at the celebration of our Lord's resurrection on Easter Sunday!

We pray your family is blessed during the final days of winter and Lent as you prepare for spring and Easter!
