

## Notes from Youth Ministry

What an exciting time for youth ministry! In the last few weeks, we had the older youth attend the Quake youth gathering and on Sunday, March 1st the Concordia Drama Ministry event with a cupcake party to celebrate over 100 non perishable items donated to the Beaver Dam food pantry. The Concordia Drama Ministry event and cupcake party went really well! The youth enjoyed a lesson on the Ten Commandments. The lesson included a puppet show on the 4th (honoring adults, such as parents and leaders) & 8th (not gossiping about others) Commandments, singing the Ten Commandments song with actions, and a Simon Says activity to demonstrate following the rules. The youth got into groups to perform mini skits, and did a crafts activity page for younger kids and book markers for the older youth. We ended with the cupcakes, summary of the lesson, and prayer. What a blessing it is to have our youth actively involved in this wonderful ministry.

Thanks be to the Lord! Carry
