

Message from the Sunday
School and
Youth Ministry Coordinator:

Greetings in our Lord's mighty name! It is my pleasure to inform you of the upcoming Sunday school updates and event.

The Sunday school went above their goal of 100 non perishable items to donate to the Food pantry in Beaver Dam. They received 137 items. The Sunday school students will celebrate reaching the goal with a cupcake party this Sunday, March 1st as the Concordia University drama ministry team will be hosting an event during the Sunday school hour. The lesson will be on the Ten Commandments. The Sunday school students will be watching a puppet show, doing crafts, and of course, enjoying the cupcakes, fellowship with each other, and learning about the Lord. What a blessing it is to have our youth involved in this wonderful ministry!

Thank you all for your support, but above all else thanks be to the Lord!

In His Service,
Carry
