DUAL CREDIT PROGRAM

EARN HIGH SCHOOL & COLLEGE CREDIT

Are you a high school student looking to get a jump start on college?
Do you know a high school student who is ready for the challenge of college-level courses?

Concordia University's Dual Credit program allows high school students to earn both high school and college credits through either online or face-to-face courses taught by Concordia University faculty. The online program allows students to complete high school graduation requirements either during the school day or at home for a fraction of the traditional undergraduate cost.

TRANSFERABLE CREDIT

When you enroll in our Dual Credit courses you become an official student of Concordia University. This means you earn Concordia University credits which are generally transferable to other universities.

CONCORDIA PROMISE

Any student attending a Christian high school or homeschool can take advantage of the Concordia Promise which provides a \$450 scholarship for each three credit dual credit course. This scholarship opportunity provides high school students access to college courses at only \$50 per credit.

CONCORDIA PROMISE +

Students who participate in Concordia Promise and attend Concordia University as an undergraduate student will receive a scholarship of \$150 for each three credit dual credit course completed. Over the first three years of a student's education at Concordia University Concordia Promise Plus refunds the total cost of dual credit tuition.
