

Calling Kids of Peace!

July 2021

We hope everyone is able to get out and enjoy the summer weather! Parks are always a fun place to go. It's summer! Ride your bike, help in the garden, go for a walk! Enjoy the nature that our Lord has given us!

Did you have a fun and safe Fourth of July? Lots of festivities, food

and especially the fireworks!

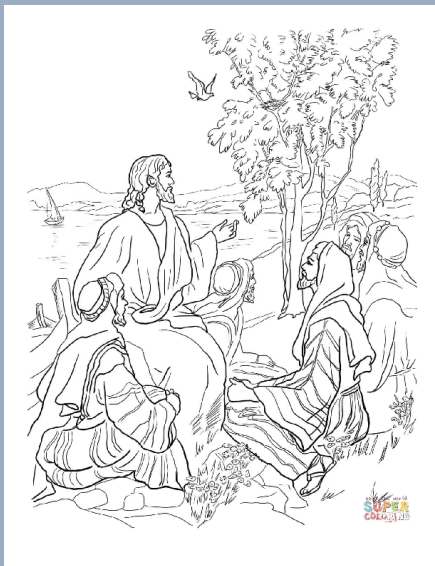

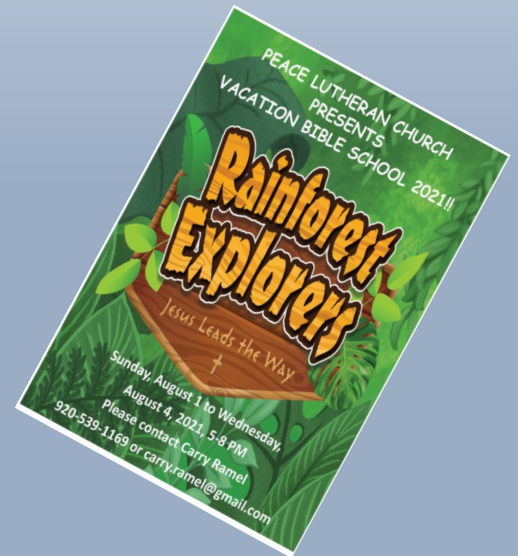

"Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom."

~2 Corinthians 3:17

Have you heard about VBS? We hope to see you! It's working up to be a super fun four evenings of fellowship, activities, of course snacks and most importantly, learning about our Savior! Do you have a special friend that you'd like to bring? Please do. All are welcome!

What is a **parable**? A parable is a simple story that Jesus would tell to teach a moral lesson. The Parable of the Mustard Seed tells us of the tiniest of seeds growing into the largest plant in the garden! So it is with our faith; the smallest of faith can grow and grow if it's nurtured and cared for with the Word of God!

Let's color a picture of Jesus teaching his disciples about this parable. Try planting your own seed in a paper cup. With water and sunlight, see how the tiny seed becomes a big plant!
