

# Calling Kids of Peace!

August 2021

It's hard to believe but it's almost time for school (and Sunday School on September 12!!) to resume. Maybe you've been in school before but maybe not. Whether you are an expert at "back to school" or this is your first year, we wish you many blessings and success on your first day!!

We had an awesome time at VBS! We had fun, fellowship, food and especially, we learned about our Savior, Jesus! Thank you to all who volunteered their time and talents to make this such a successful event! Check out the pictures under Youth Ministry (in the Ministry Center) of our kids at this very special event. Let's look forward to next year!!

As you stock up on school supplies, please consider purchasing a few extra! Clothes for Kids in Beaver Dam is collecting needed school supplies for kiddos in need of supplies to begin school! Some suggested items would be crayons, pencils, wide line notebooks, glue (sticks or white liquid glue). Your generosity will go a long way and will be appreciated by the kiddos who will have a successful first day of school because of it! Thank you so much!

With back to school right around the corner, it's hard not to think about school shopping, new school supplies, open house and meeting your new teacher. Who was your favorite teacher? Who do you think was the best? Jesus, the *greatest* teacher, never taught in a classroom or worried about school supplies. His message was simple. In *John 11:25-26*, we see Jesus speaking with Martha, the sister of Lazarus. Martha tells him if Jesus had been there, her brother wouldn't have died. Jesus said to her, "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live, and *everyone who lives and believes in me shall never die*. Do you believe this?" Just *believe!* So few words yet such a powerful message. Jesus, the greatest teacher of all, continues to teach and comfort His children through His message in the bible.
