

# Calling Kids of Peace!

September 2021

Are you all settled in to your new class? We hope your first weeks of school are going well! Making new friends and learning new things are so exciting! Many blessings as you go through this month, getting used to the newness of a new year!

*"May he grant you your heart's desire and fulfill all your plans!"*

## Psalms 20:4

It's said that Eve tempted Adam with an *apple* in the Garden of Eden. The bible says "fruit" so it *could* have been an apple or even a fruit that no longer exists! Whatever the "fruit" was, this month's word search is about the Creation and the word "fruit" appears in the puzzle! Check out **Genesis 1-3** for the whole story!

With Sunday School beginning this month, did you ever wonder how it all got started? In July, 1780, a man named Robert Raikes from England started the first "Sabbath School" to help poor working children learn morals, to read and write and to learn about their Savior. After three years, the idea of Sunday School caught on to more groups. By 1850, there were more than 2,000,000 students across England which branched from his Sunday School program! Once traditional schools got more common, Sunday School became a way to give children a Christian education and to prepare for a Christian life, spreading the Good News of our Savior. Next time you have Sunday School, tell your teacher "Thank you for making Sunday School possible and for caring about my Christian education!"

Thank you for all who donated school supplies to Clothes for Kids. We received SO MANY school supplies! Kids in need will receive these gifts to make their beginning of school this year a success! Whatever Clothes for Kids doesn't use this year, they keep for next year so EVERY donation is used. Your generosity is a blessing for the kiddos who need your help.

*"Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you."* Luke 6:38
