EARLY LEARNING CENTER

At Bethel's Early Learning Center, we use the **Faith Alive Day School and Preschool Curriculum** which is designed so that students will have optimal opportunity to grow in their relationship of faith and life with God. The more we help children build a personal relationship with Jesus and experience His love for them, the more their response in daily living will reflect their love for Him.

The ELC teachers also create weekly fun and educational thematic units that include age appropriate math, science, art, music and language activities and all of our children attend a weekly chapel service on Wednesdays at 9:00 AM lead by Pastor Randy or other church admin.

## **Time of Operation**

Bethel ELC is open Monday – Friday, 7:00 am – 6:00 pm, 12 months a year. With the exception of holidays and staff development closures.
