Challenges for Prayer

a) Please pray for the sharing of the Gospel in the sprawling slums of Lima and God's blessing on the nurture of churches in that difficult environment. Please pray for our [LCMS missionaries](#) living in Peru.

b) Please pray for the less reached Amerindian tribal peoples and a number of unreached peoples (at least 12) with small populations per group.

c) Please pray for the ethnic minorities living within Peru and that they would respond to the Gospel message.

d) Please pray for the street children of Lima. Poverty, social breakdown and war led to many being abused, exploited and forced to work long hours for a pittance.
