

Dear Calvary,

It seems incredible to think that I've been here a year already, and have just one month left in my internship! So much has happened, I've learned and grown so much, and I've met so many wonderful people doing God's work here and in their whole lives how did it go so fast?!

From my first week at Calvary, I have been impressed by this congregation and this staff. The ministries of this church spring up from the congregation itself, from listening to God's call and your own gifts rather than being something handed down from on high, although the staff, council, and pastors also work hard to enable those ministries. It's a beautiful image of what church should be. Looking back, it seems silly that I should be surprised by that, but I have seen and heard classmates talk about so many churches where that isn't the case. That living spirit is what keeps Calvary strong and vibrant, and it's been such a blessing to join in as I can.

Before I even started here I have felt welcomed by all of y'all. It's been a pleasure to get to know you, to work with you in teaching, studying, music, and service, and to walk with you through times of fear, times of grief, and times of joy. If that sounds like hot air, know that my family and friends have all commented on how much growth and joy (and, to be fair, a little bit of exhaustion, but usually the good kind!) they've seen in me this year. In fact, when we were in Minnesota for my graduation, my mother went up to every professor I spoke with and enthusiastically praised Calvary as a church and an internship site, trying to push interest your way for future interns.

This has been a year of transition, with Pastor Phil leaving and Pastor Kyle arriving, as well as the myriad other changes in the lives of the people of Calvary – deeply-felt losses, and greatly-loved new arrivals. Despite all of the change, I never once doubted that y'all would make it – you are a congregation with deep roots and a firm identity in God's hands. Continue to lean into who you are and how you live that out, continue to lean into the God who sustains both, and I know you will continue to weather the storms and the feasts still before. I'm sad to leave, but I can't wait to come back and see what you've done while I've been starting my next path!

With Love,

Rebecca Chase

COUNCIL UPDATE

With joy and thanksgiving, Congregation Council is pleased to provide this update!

We continue striving to enhance the audiovisual aspects of in-person and online worship. Members who primarily worship online continue expressing gratitude for the ability to be with us every Sunday. We recently added an online worship registration form and online worship feedback form, the purpose of which is to learn and grow from our online worshippers' feedback. We encourage online worshippers to let us know you're here and to provide feedback each week about your experience.

Audit Committee members Brent Anderson, Tammy Nadaskay and Ellen Slezak, along with Mary Keller who is serving as subject matter expert, conducted their kickoff meeting where they discussed approach and objectives for the audit. Mary shared the ELCA congregational audit guide and other helpful resources, which the committee now is using to establish an outline and timeline for the 2024 audit.

As a congregation we are committed to retiring the debt as quickly as possible. Thank you again, Calvary for your bold and faithful financial gifts, which realized our 2024 stretch goal of reducing mortgage principal to half the original principal amount!! As of May 31st, our mortgage balance is \$919,547. Through May, offerings are approximately \$23k or 6.5% lower than budget. This time last year, we were behind budget on offerings but to a lesser degree (\$16k or 4.7%). Expenses are approximately \$10k under budget, resulting in a year-to-date deficit of approximately \$13k. Thank you for your continued financial support of Calvary's ministries.

In the annual meeting, the congregation approved distributing half of the 2024 surplus to our Future Bus Replacement Fund. This fund was established with the intent of saving early for the next bus replacement, which is now time to consider in earnest. The current balance is ~\$46k or about one-third of the estimated cost of a new bus. In the coming months we will develop and share details of a plan for Calvary's next bus purchase.

We continue to pray for Intern Rebecca's first call process, with gratitude for joining in this journey with her, and look forward to celebrating her internship on July 27th! Our next internship will look different because of this year's low availability of interns. We remain active in the ELCA intern program and will continue working with the seminaries for a traditional internship for 2026-2027. Specifics of our 2025-2026 internship will be communicated as they develop.

A special thank you to the Calvary Café crew and patrons, whose management and support of the café allowed Calvary to purchase a new commercial freezer for NEED West as a replacement for the one that failed. Thank you, Calvary Café!

Please feel free to contact any Council Representative with questions or comments. We welcome and encourage your feedback!

In His Service,
Debra Machos
Council President

Drew's 11th Annual Bottled Water Drive.

Texas summer and the grueling heat is here! Now imagine you're in that heat and do not have easy access to running water. Let's help our friends on East Lancaster beat the heat with Drew's 11th annual Water Drive. Drew began his water drive in 2015 when he turned 8, and he would love your support in helping his friends experiencing homelessness in Fort Worth again this summer. Drew's 2025 goal is to collect \$8,000. This year we will again be accepting physical, as well as monetary donations. All donations will go through *When We Love*, the same organization we worked with last year. For physical donations, please leave any cases of water bottles in the Narthex next to the water drive sign. Please make any monetary donations through the secure Water Drive website by [clicking here](#), donating through Calvary, indicating the donation is for the "Water Drive" or scan the QR code.

DURING THE HOT SUMMER MONTHS, IT IS IMPORTANT WE CONTINUE TO REMEMBER OUR FRIENDS WHO RELY ON NEED. CURRENTLY, THE MOST EMPTY SHELVES ARE MAC & CHEESE, BUT ALL CANNED GOODS, CEREAL, PASTA, AND NON-PERISHABLE FOODS ARE ALWAYS WELCOMED.

ALSO, PLEASE NOTE THE NEED BASKET HAS BEEN MOVED NEXT TO THE WINDOWS FACING THE COURTYARD. PLEASE DO NOT PUT FOOD FOR NEED IN THE WELCA BOX ACROSS FROM THE LIBRARY.

We like to think of summer as being a relaxing, enjoyable time. But hurts, struggles, crises, and problems don't take a vacation. Many times our difficulties seem even worse during the summer because everyone else seems to be enjoying life while you are feeling down. If you are experiencing a difficult time—emotionally, spiritually, or relationally—you don't have to suffer alone. Our Stephen Ministers are trained caregivers, ready to listen, care for and encourage you, pray with and for you, and provide one-to-one Christian care to help you through whatever it is that you are facing. Men are matched with male Stephen Ministers, and women are matched with female Stephen Ministers. It's free. It's confidential. And it will make a difference in your life!

To find out more about Stephen Ministry for you or someone you know, talk with one of our Stephen Leaders:

Thank You Calvary Family!

Dear Calvary Family

Thank you for your prayers for Cathy, me and our family during my 10-day stay in the hospital in Boston in May! Your prayers were answered! We are home and I am recovering. We witnessed the hand of God at work throughout this entire experience and thank him for all his miracles, both large and small. Mount Auburn hospital staff and our family were definitely doing God's work through their human hands. WOW. Please join me in thanking God for his love, grace, mercy and healing. We love you all. Charles Rohloff

Recently, the Sanctuary Samick Grand Piano was replaced by the Narthex Yamaha piano. The Samick was away so that its innards could be completely rebuilt, replaced and regulated. After being enthusiastically played for 35 years, first in the choir loft (balcony) and then in the new Sanctuary, it needed refreshing—a new birth. The rebuild was graciously underwritten by memorial funds and the music ministry dedicated funds. Debbie and I are not only very grateful for this blessing, we are thrilled with the outcome, - with the quality of the work. It's like a new piano!

With the outstanding success of Calvary Café and the close scrutiny of expenditures, the Café ended the year with a surplus of funds. As a result, when the freezer at NEED West quit working, we were able to utilize some of those fund for a new freezer. The following was received from Richard Adams, President of NEED.

Dear Calvary Café Chairs & Team,

THANK YOU for your generous donation of \$2,500 toward the purchase of a new commercial freezer for NEED West. You have been more than gracious to support NEED through the years and this donation is going beyond the “call of duty” to support NEED. This ensures the ability to keep our shelves stocked with food and the resources needed to keep them fresh.

Our communities are growing at an explosive rate which stretches our ability keep up and help families with the critical issues they face daily. I know several of you volunteer at NEED West and you see the new faces each month.

THANK YOU seems so small to say to express our gratitude for how you have blessed NEED. We are completely dependent on Calvary Lutheran and other churches like you to keep our doors open, food on our shelves and now A NEW FREEZER in our stockroom!

To your Pastors, Café leadership, team and members who purchased meals and all who have had a part in this generous donation, we say a heartfelt THANK YOU.

May God bless you. You are being change agents in the Kingdom of God.

With Gratitude, Richard Adams, President NEED

The Church Mouse

June means CAMP at Calvary! There is Day Camp, Disciple Camp, Camp Chrysalis and Ebert Ranch Camp! All month long it is about human kids spending weeks with their friends learning about Jesus! (they don't know it, but us mouse kids learn right alongside them!) Before the month of CAMP can begin though there are a lot of high school kids everywhere. They spent two weeks getting ready for the little kids. I have learned over the years that "getting ready" means hanging out and eating a lot of food and laughing a lot in between decorating and working on lesson plans. I would say they play more than work, but then BAM — the rooms are magical and the lessons are great so they really are "getting ready"

They call it Day Camp and Disciple Camp, but I call it Mous-tastic! It is the best week ever with all of the giggles, talking about God, songs, games, crafts and you guessed it — SNACKS! When the counselors and the kid are a little messy there is more for Walter! There were almost 100 kids (littles to big ones) in the building and they were everywhere! The theme was Celebrations and we celebrated God's love, abundance, forgiveness and life. We even got to tie dye! One day they went to the water park and momma let our whole family tag a long. It was always easy to find my friends because the counselors were in tie dye shirts. Every day Janelle drove the bus home because a bunch of the counselors stayed at her house. One day I got to go. It starts off boring because the counselors need a nap — but they wake up for dinner! All of God's creatures like dinner time! Then they play games. Thankfully no one got out the game Mousetrap! One day I will be big enough to be a counselor too!

Me and my human friends got to go to Camp Chrysalis again this summer! It was so fun. We did a giant swing. Everyone had to wear a helmet and since there was not a little one we found a nut that we could make into a helmet so I could swing with the kids. They also played at the creek. I had to skip that because, well, the edge of a creek is not a safe place for a little mouse. It was okay though because I got to go to the pool.

When they got home from Chrysalis a few days later the bus left again, but this time for Ebert Ranch. In a few years I will be big enough to go. I have some time to practice how to get on a horse meanwhile, and how to avoid the scorpions. The kids that went to Ebert Ranch are in Confirmation. It is a weird word, but I hear it is like Jesus Camp but during the school year. The kids sound really excited for it to start in September!

Speaking of Confirmation, this year it was at the beginning of June! The kids wore pastor robes and red scarves. Momma said after learning about what it means to be a Lutheran Christian that these kids said "yes" to the promises made at their baptisms. Those kids were not at camp this past week, but I heard that they will be on mission trip with the high school kids.

Love, Walter
