

Visitor-gram

A brief update to keep you informed

Dear people of Calvary,

October 13, 2020

Just when we had a plan in place, ...the Covid-19 virus has had a strong resurgence in the Green Bay area. Based on advice and requests from the Brown County Department of Health, the Wisconsin Council of Churches, and our own East Central Wisconsin Synod, all "indoor-in person" services are suspended.

This coming Sunday, October 18th, we will live stream the 10:30am parking lot worship service. This worship service also celebrates Confirmation Sunday, for 18 of our youth who are affirming their baptism! This service will also be posted on-line for viewing at your convenience. We invite you to come to the parking lot early as we anticipate participation to be high.

Sunday, October 25th is also the celebration of First Communion for many of our younger children. This service will also take place in the parking lot at 10:30am and be offered live on Facebook and posted for later viewing as well.

We will, as a staff and congregation, continue adjusting, continue serving, continue reaching out and continue to share the Gospel on-line through YouTube, Facebook, Zoom, the Web, through email, phone calls and good ol' fashioned mail.

Please know that we can receive prayer concerns at any time through email, voicemail or text at 920-791-7121.

In Christ,

Pastor Jeff

What is the "Visitor-gram"?

In response to these rapidly changing times, the Calvary Staff have opted to go with a condensed version of the monthly Visitor so that our correspondence with you can be more accurate and timely. Also, the new format will use less paper and takes less time to assemble. The monthly Visitor will return once we are past the pandemic. Thank you for your understanding and patience. We are working hard to keep you up-to-date. We ask for your continued prayers for our congregation and community.

Are you able to help?

In looking for new ways to celebrate Advent and Christmas this year, I am coordinating a Drive-Thru, Living Nativity outdoor event at Calvary for Friday, December 18th, 2020 in the evening. I am looking for live animals for the event. Would you be able to help with this? I am also looking for families that would like to volunteer to be our living actors. We will be sectioning out areas so families can stay safely-distanced from each other. Would you like to volunteer? It will be a wonderful Christmas memory for your family! If you are interested in helping in any capacity, please contact me at 494-2431 or katy@calvarygb.com. **Thank you!**

In preparation for Advent....

The church office is collecting plastic milk jugs. Please thoroughly rinse them out and bring them to the church office. We will be using them for an outdoor event during Advent. We are accepting half and full gallon plastic jugs—clear or white. **Thank you!**

YOU'RE INVITED!
