STEAM Laboratory

Rates Effective June 4, 2024

Scheduled Hours: \$7.50/hour

40+ hours: \$290/week

Drop-In Rate: \$10.00/hour

Billing Information: Billing is done weekly based on the hours that you schedule for your child. Payments are due by Friday of the following week. As we get closer to the start of summer, we will reach out via email to request your family's intended schedule. Schedule changes can be made up until noon on Wednesday of the prior week. After that time, absences will still be billed as scheduled (unless an excused absence is requested) and additions will be subject to the drop in rate. Each child may use 2 excused absences during the summer. Please notify the office when you would like to use an excused absence.

We are planning so many fun activities for summer! As we get closer to the start of summer, we will share a detailed calendar of events and special days. Some of the things you can expect to see will include water days, bike days, and field trips - including several trips to the pool!

Field trip fees will be published at least a week prior and will be added to your account if your child is scheduled to attend on a field trip day.

Your child must arrive before the bus leaves for the field trip and may not be picked up until we return on the bus. For safety reasons, we cannot have children dropped off or picked while away on a field trip. A limited number of chaperones will be needed for each field trip. Signup information will be provided with the field trip schedule.

To further assist with your STEAM Lab scheduling: Lunch is at 11:40 and nap/rest time is about 1:15-2:30. If possible, please try to avoid picking up between 12:30-1:15 as the group tends to be further out in the nature center.

Please note that we will be closed on Thursday & Friday, July 4th & 5th for Independence Day.

To help in our planning, please indicate a rough idea of your expected schedule:

(For example: "Mondays and Tuesdays" or "3 days per week - days will vary" or "only a few days here and there")

I understand that this signed form serves as registration for 2024 Summer STEAM Lab. I have included the \$50 non-refundable registration fee which covers supplies, snacks, and some special activities. *If you are a current family and already enrolled in Tuition Express, your payment will be added to your account.* For new families, payments can be made by check (payable to Christ the Life) or cash.
