

Greetings Siblings in Christ!

Spring is here, and things are happening. After most of 2020 being rescheduled, we're gathering with friends and family for just about everything from graduations, weddings, and celebrations to travel and vacations and it feels great. I've been reflecting on gratitude, the blessings of friendship, and how wonderful it is to share life and our experiences with one another. 1 Peter 4:8-10 says, "Most of all, love each other steadily and unselfishly, because love makes up for many faults. Show hospitality to each other without complaint. Use whatever gift you've received for the good of one another so that you can show yourselves to be good stewards of God's grace in all its varieties." (1Peter 4:8-10, The Voice)

Some friendships transcend space, and time, and circumstance. Anam Cara is the term used for a soul friend with whom we share our deepest selves, and with whom we weather life's greatest storms, over time, and even over great distances. Jan Richardson in her book, "In the Sanctuary of Women" writes a blessing for soul friendship which I would like to share, as a reminder of the gift of soul friends, and the joy and grace in being able to share our lives with one another.

"May there be no cage
For your soul.
May you have a friend
By whom you know this.
In the space between you,
May there be
Medicine, hospitality, sanctuary."¹

LWR Quilting

Quilting for Lutheran World Relief (LWR) will begin on **Thursday, May 6**. We will meet at **9:00am and continue until 3 pm with a break for lunch**. Please bring your own lunch. If you cannot come for the entire day, you may come for however long you can stay. We will be meeting on the basement level in the first Sunday School room on the right side of the hall. The quilts will be tied and knotted so all you need to know is how to tie a knot. This is an important ministry and these quilts provide comfort and shelter to those who are suffering.

Many supplies are needed for this ministry—fabric, batting, sheets for backing, and embroidery floss for tying, among other things. We have a good supply of fabric to start, but donations of cotton or cotton blend fabrics will be accepted as well as sheets for backings. Twin flat sheets are ideal, but any size will be accepted. Used sheets may be donated as long as they are not stained or threadbare. We are purchasing the batting in bulk, but this will be our biggest expense, so monetary donations will be welcome.

If you feel you cannot participate in the making of the quilts, please consider making a monetary donation to offset the cost of supplies. Just put your donation in any envelope you have, mark it “LWR Quilts” and put it in the offering plate.

Please prayerfully consider joining in this ministry. If you intend to participate or have any questions, please contact Jean Frye at 570-788-5700 or Marian Jaxheimer at 570-788-6098. We look forward to seeing you on May 6.

VALOR STAND DOWN EVENT

The Next Valor Stand down event in Hazleton is Sunday morning June 6th. This event is staged to find and assist homeless veterans and provide clothing and food to other homeless and those who need help. Br. Fred Jaxheimer is inviting our congregation and the other VIC congregations to collect some items for Valor's core mission effort. He will deliver all the collected items when he goes to volunteer at the Stand down event on *June 6th*.

The items needed/requested are as follows:

Much needed: Pull top cans of fruit.

Always needed: Jars of peanut butter.

Used but with remaining wear - blue jeans and hoodies.

Used but with remaining wear - Boots and sneakers

New underwear, mens and womens

NOTE: Surprisingly, at this time they do **not** need or want any socks.

Please drop off your donations on the tables to the left inside the parlor (see sign) by June 4th at noon. All donated items will be used for future 2021 stand down events in Northeast PA or be provided to Veterans in interim housing at The Major Paul Syverson Veterans Sanctuary (commonly referred to as Paul's House) in Polk Township.

Stephen Ministry

Bear one another's burdens, and in this way you will fulfill the law of Christ (Galatians 6:2, NRSV)

The congregation is planning on starting a new outreach program called Stephen Ministry. This ministry offers an effective way to organize, equip, and supervise a team of congregation members called *Stephen Ministers*—to provide high-quality, one-to-one, Christ-centered care to people in the congregation and the community experiencing life difficulties. These can include, but are not limited to, death, divorce/separation, job loss, relocation, life threatening illness, loss of property, etc.

Stephen Ministers are trained by *Stephen Leaders*, all being from the congregation. *Stephen Leaders* and the church pastor match *Stephen Ministers* with people in need of care. The *Stephen Minister* meets with his or her *Care Receiver* for about an hour a week to provide one-to-one Christ-centered care. This relationship lasts as long as needed. It is important to remember that this ministry IS NOT counseling. *Stephen Ministers* gather together twice monthly to receive the guidance, support, and encouragement they need to provide high-quality care. They also participate in continuing education to enhance their skills.

This ministry was started in 1975 by Rev. Kenneth C. Haugk, Ph.D., a pastor and clinical psychologist, to help him provide Christian care and support to people in his congregation and community who were experiencing life difficulties. It is based in St. Louis, MO. Stephen Ministry is in more than 13,000 congregations from more than 180 Christian denominations, in all 50 states in the US, 10 Canadian provinces, and 30 other countries.

For more information on Stephen Ministry, contact Deb Jones at 570-233-7675 or msjonesncc@gmail.com or Pastor Deb.

VALLEY FOOD PANTRY SAYS THANKS!!

Thanks to everyone who fills our grocery cart in the foyer, not only when holiday requests come, but all through the year. *A request is to please take note of the expiration date on the items you donate, as we have been receiving outdated goods which cannot be used and require more sorting time.* Again, thanks for all the support of the food pantry.
