

Did'ja Know?

When we keep a secret, no matter how little, our brain stores part of the idea in a different place than regular memories?!!

Nicodemus

John 3

A man named Nicodemus came to see Jesus. He had lots and lots of questions about God and about Jesus. They talked for a long time.

Jesus said, "God really, really loves the whole world. All the rocks and trees, all the oceans and rivers, all the plants and animals, all the people and places."

"Even though no one is perfect?" Nicodemus asked. "Even though people can be really mean and the world can sometimes be scary?"

"Yes!" Jesus answered. "God loves the world so much that God sent me to save it. To take away anything that keeps us away from God."

Nicodemus smiled. "Wow. You're amazing, Jesus. Thank you for loving the world so much."

Keeping Things Hidden

God invites us to bring our secrets into the light, so that God might heal & love us.

Fun Stuff

Draw lines from the moon and the sun to go to the activities for the night and day. Some activities might work for BOTH, too!

TICTACTOE

Memory Verse

'For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life.'

Jesus said this in John 3:16

Try It At Home

Find as many different translations of Bibles you can from the church, or from your home. Look up John 3:16 in each of them and see how each translation is different.
