4-6 PM Fall Get-Together

What? A Monday Workday?

Yep, that's right. There's always something to do around here and we need help!

First, it's time for some outdoor fall cleanup!

Also, we need to move the remaining items in the gym to the racquetball room for storage. After doing that (and cleaning that floor!), the youth can come indoors for some activities once again, especially with cooler weather coming.

We hope some of you can join us on **Monday, October 11th** (it's Columbus Day!) starting at 8:00, and we'll get to work. We'll need some movers and some cleaners and even some outdoor landscape helpers! If that day doesn't work for you, call Kathy and we can find a task for you to do another day!

Fall Family Get-Together!

Giddy Up! Only 10 more days until our Fall Party! Everyone is invited—bring the kids and join us for a family get-together on Sunday, October 17th from 4:00-6:00. We'll meet at Dr. Gus and Susie's cabin (call office for directions) and have some food, fellowship and fun! Bring your lawn chairs and be ready for some games and activities too! We sure hope you can join us!

Prayers are needed for:

Hey Kids!

Did you know that we have books for young kids? They are on the bottom shelf for easy access and grouped by categories! Stop by and see what's there! Curl up in a cozy chair and read a book or check it out and take it home!

Help Needed!

The Samaritan Center is swamped and they could really use some volunteers!! This is on the store side. It would involve putting out merchandise. Any amount of time you could volunteer would be greatly appreciated. Call the Samaritan Center at 885-8555.

Charge Conference— Attention PPRC & Finance Committee Members!

Mark your calendars! This year our charge conference will be Saturday, October 16th from 9-11 AM in person at First United Methodist Church in Warrensburg. All members are invited to attend.

Members of the PPRC Committee and Finance Committee

are especially encouraged to attend, as there will be classes for these two committees from 9:00 – 10:00. If you are interested in going and don't want to drive, we can take the church bus (and maybe even stop for a nice lunch!) Call the office (660-885-5597) if you would like to ride!

Building Project Update

Doors, windows, flooring—
oh my!

This weekend you'll notice the doors that open from the Lower Gathering space to the new Worship Hall have been installed, we're creeping toward completion!

The window contractor did receive SOME of the glass for our project this week, we're hopeful we can start to get them installed and that the balance of the glass will show up so we can be completely weather proof as fall starts to creep in on us. Our technology vendor was on site this week as well installing stage lighting and the speakers for the sound system. We're scheduled to have final coat of paint next week and then carpet and trim will start being installed. Piece by piece it's coming together...

Wall construction will be starting on the Upper Gathering space as well, we've added a little window in the dust control wall at the top of the stairs so you can keep an eye on progress there. Less complicated construction on that end so we anticipate it'll go a bit faster, as long as we can continue to get materials!

Grab your donut and take a little walk this weekend to check out the progress in the new space.

We've got a work day set for Columbus Day—we're hoping to rediscover our GYM so the kids can get back to their regular activities! Hope to see you there, but if you'd like to help but Monday is booked—you must not work at a bank or the post office—we can still line up a project or two for you to fit into your schedule, just let Kathy know you'd like an assignment!
