April Financial Update

We have finished 1/3 of 2022 and we have given about 38% of our Budget! Building has seen some cost increases but giving continues strong as some finish their 3 year pledge and others do some extra mile giving to see the project to its finish. We estimate about \$256,000 yet for building project work.

Building Project Update

By Dave Garnett

Everyone loves to see the last contractor on the project show up... the ceiling guy!

By the time he walks in the door, all the utility systems are in place, the walls have been built, taped and painted. All the messy stuff is done, the remainder of the work is clean, quiet and usually pretty fast... at least that's what we're hoping for this month! We've all heard the tale of how April showers bring May flowers. The simple rhyme celebrates the fact that there is an order that nature has all worked out. Let's bloom from the seeds of faith that we plant in this fertile new space to expand our

Congratulations to our Seniors!

Today is Senior Send-Off, tomorrow is graduation practice, and Sunday is graduation. A lot of things going on in their lives and they are ready to start a new chapter in their lives. We wish them the best. God is with you everyday!

Just One Year Ago!

What were you doing last year at this time???

We had not yet occupied the offices, roof was just being put on the Back Room, gym was full of materials for the construction... we've come a long way!
