The Deadline is Closing In!

Scholarship applications can be picked up outside the church office, in the church office or printed off of our website—go to resources—youth parent resources and click the link in the scholarships section. All scholarship applications will be reviewed by our Scholarship Committee. Active participation in the life of this church will be a determining factor in

awarding each of these scholarships. We have a strict **deadline of Monday, May 1st** to get the applications in or postmarked on that day if mailed.

Coming Up!

We love seeing all the new faces at church on Sunday. We hope to have another new member Sunday on **May 7th**. If you are interested in joining the church, please leave a note on the connect card or contact the church office at 660-885-5597. We'd love to have you be a part of our church family!

Mozambique Initiative

Along with United Methodist churches across Missouri, Clinton UMC participates in the Mozambique Initiative. Missouri Annual Conference launched the Mozambique Initiative in 1986, and since then it has grown to provide significant support for that nation.

This is a project to support pastors and congregations across the sub-Saharan African country. Water wells, mobile health clinics, mosquito nets, sewing machines, elementary schools, hand washing stations, mobile transportation for pastors, and most recently, solar panels for parsonages are just some of the ways the Mozambique Initiative is making a difference.

Clinton UMC contributes \$1,000 annually to pay a pastor's salary. This will supplement what the local congregation pays their pastor with livestock and produce when available. Thanks to your generosity, our church is providing support and encouragement for the small community in one of the world's poorest countries.

those who do the most for
others"*
