

The Concordian

A Newsletter of Concordia Lutheran Church – ELCA Superior, WI January 2018 Vol 38 No. 1

"Called to Nurture and Live our Faith, Encourage our Service, and Actively Share the Gospel"

From the Pastor:

January already? What happened to Christmas?!?!?

Of course, you may know that articles for our newsletter need to be written ahead of time, so I was in the midst of Advent while writing... but my head and my heart were preparing for Christmas! The Sunday School Christmas program was about to take place, I was working to finish a gift I'd been constructing for my sister, and I was working on a special worship experience for the Sunday after I return from vacation.

January 6 is the day of Epiphany, and we (in the western church) observe the coming of the magi to the house where Jesus lived with his family. A significant portion of the church (Eastern and Russian Orthodox) observes January 6 as their Christmas, however.

So, we have something special planned!

We will be having a service of **Lessons and Carols.** This means that we will be reading Bible passages from creation (with the promise) all the way through the coming of the magi to see the one in whom that promise is fulfilled. We can use up to nine different readers!

In addition, the service will be filled with music, including

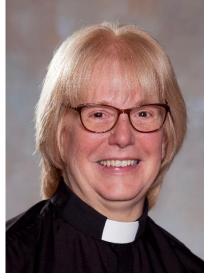

many songs and carols that help to portray the message of God's promises fulfilled in Jesus Christ.

The whole story will be told in **Scripture** (including the Words of Institution of the Lord's Supper) and **Song**, and we hope that everyone will be filled with the joy of the season, and experience at least a bit of God's promised peace and good will.

There are several opportunities for individuals or groups to sing solo (or as a group) songs or verses. Male or female participants can sing the parts of the magi, the friendly beasts, or a more familiar (or more difficult) carol. If someone is found (or volunteers) to sing "Noel Nouvelet" in French, we'll be sure to have the English version on the screen so the rest of us have an idea what is being sung.

If you are willing to share your voice by reading or singing one of the provided parts for this event, please contact the office or Beth Sobczak.

We also have a need for as many people **participating in the congregation** as possible. Some people feel very alone when everyone else seems to be enjoying the holidays, and we are expecting this will be an event in which people find hope.

So, invite your friends. Come, worship with lessons and carols that glorify God and God's love expressed.

This season, we are reminded that the Word of God becomes flesh to participate with creation most intimately.

Finally, let us all contemplate the many ways we participate in God's creation, especially the ways that matter most. How do we best embody God's love for others? How do we care for the most needy? How do we inspire those who focus on greed to shift from taking toward giving?

How do we receive the gift of God's presence when all the world seems to focus on presents instead? Of course, the answer is: Most Graciously!

In Jesus' name. Amen

PARISH NURSING NOTES.....

As we begin a New Year, and following up on last month's newsletter article, I decided to focus on the importance of "spirituality" as an important part of our health status.

As the end of life approaches, people often start focusing on their spiritual life and their relationship with God and their loved ones. Very often they know that nothing more can be done to cure their physical problems, and they then turn to the spiritual ones. But very often, it is the spiritual and relationship problems that cause the most suffering – and not just at the end of life, but throughout life. And those problems cannot be made to go away by taking a pill, or prevented by a vaccine. And they tend to build up and lead to stress

in your daily life. And the presence of stress can lead to physical symptoms and illness. So why not pay more attention to your spiritual life on a daily basis and prevent some of those problems from ever becoming a major problem!

A recent study at Duke University in North Carolina revealed that 42 percent of all participants reported "faith" as the enabling them to cope with their illness, and 40 percent of them ranked it as the most important factor. Those same patients also had the lowest rates of depression. Greater faith also correlated to stronger immune system functioning and fewer days of hospitalization.

In the early days of our civilization, 2000 to 3000 BC, there were no doctors. And it fell to the priests to examine and look after those who were ill. As Hippocrates and others moved to describe the physical causes of disease, that became the main focus. Until Jesus came along! Early hospitals were the main sponsors of hospitals. But as hospitals became more commercialized, the spiritual aspect of care

lessened, and finally was discouraged, so as not to "force beliefs" on anyone. But then Albert Einstein said that 65% of the human body is made up of the space and energy between all the physical particles. Yet mankind focused all of its attention and research on the 35% that can be measured and quantified. And things started slowly changing.

The Journal of Pain reported that researchers found participants who had daily spiritual experiences had higher levels of a daily positive mood, and lower levels of negative moods. They also had a higher ability to control and decrease pain. They also found that one minute of anger weakened the immune system for 4-5 hours, and one minute of laughter boosted the immune system for 24 hours!

Library Happenings

Library Happenings!

Well, ready or not, the New Year is upon us! Happy 2019!

We, on the library Team, pray that your Christmas was a joyful & Blessed one. A time to celebrate, with family & friends, the true meaning of Christmas. A time to create

new memories and a time to cherish the ones from past Christmas's. Now, a New Year has begun, full of fresh hopes and dreams. May you remain centered in Christ and be assured that He is always with you! He is there loving, forgiving, guiding and supporting you at ALL times.

In 2019 the Library Team plans to continue working on the weeding/inventory process, on-going dusting & cleaning, preparing new & donated books for circulation, and decorating/bulletin board/posters according to the church year/seasons. The

library may be a small group, but we are dedicated to this part of the Church's ministry to you. We look forward to working with you, the readers of Concordia, in choosing books for your needs/interests. We appreciate your comments/suggestions for additions or updates to the library's current collection.

Share the Joy

As we begin a new church year this January, we would like to encourage everyone who lives within a reasonable driving distance to make a new commitment to worship regularly with the congregation. Doing so will give encouragement to everyone who is here, possibly help us grow in our ministry, and help us at Concordia have the resources to reach out in helpful ways for our congregation and the community. Let us share in the joy gifted to this world in the birth of Jesus Christ our Lord and Savior.

Joy to the World, the Lord is Come!
