The carpet project is nearing completion! Thank you for your patience! Thank you to our Trustees for shepherding the project! And a huge thank-you to our members who offered the matching money and the many members who gave towards the project! In the photo on the left you see Jim Olson, a trustee and our "part-time" maintenance man, and two of the workmen from Hahn's Badger Carpet Service, Inc, considering solutions to a floor problem. Over the years, through wear and tear, part of the wooden floor had cracked. That problem was fixed before the new, red carpet was installed. [Notice how Jim wore a t-shirt anticipating the new carpet color?] Some corrective work still needs to be done, but Hahn's and Mohawk, the mill company, have been very agreeable to deal with, working around our chapel and worship schedule and ensuring that everything gets completed to our satisfaction.

From the Pastor...

The Augsburg Confession in Article XIV states: "It is taught among us that nobody should publicly teach or preach or administer the sacraments in the church without a regular call." The Apology of the Augsburg Confession goes on to declare: "We know that the church is present among those who rightly teach the Word of God and rightly administer the sacraments." This is the Office that Christ instituted and into which the Church calls qualified men. As adult members of the Church, you have a special opportunity and responsibility to participate in this process of calling a new man to serve in your midst.

On Sunday, Oct 23, a special Voters Assembly [VA] has been called for immediately after the late service that morning for the sole purpose of voting on and calling a new associate pastor to replace Pastor Myers as he retires at the end of the calendar year. By now you have received in the mail a letter from the Call Committee with information on the pastoral candidates the committee is recommending for the congregation to call. Candidates from the entire list the Voters approved in May are still potential candidates and will be on the initial ballot. There were many good pastors on the list, but the call committee is just recommending three.

In an effort to make this meeting time as agreeable as possible for as many members as possible, a small lunch of finger food will be offered in the Fellowship Hall, where the VA will be held. Childcare will also be available.

The Call Committee deserves many thanks for their efforts over the last number of months. This was one of the largest call committees in recent memory here at Elm Grove Ev. Lutheran Church. The goal in selecting the members of the committee was to get a broad spectrum of EGL experience on the committee. That was achieved. Elm Grove Lutheran Church was well-represented. With a larger group, however, came more conversation and coordination. Special thanks are due to Mr. Mark Ewert for his work chairing this committee. He brought much needed attention to the details.

Someone else who deserves some public thanks at this time is Pastor Myers. As you know, he is retiring at the end of this calendar year. He has given 44 years of dedicated, ordained service to God and His people, many of those years right here in your midst. He has served on the foreign mission field; in high school, collegiate, and seminary classrooms; in the Air Force chaplaincy; and in the parish ministry. He has applied himself to the work you called him to do here at EGL. The most important expectation of a pastor is that he be found faithful, and that accurately characterizes his ministry here and elsewhere.

We are calling a new associate pastor to replace Pastor Myers in the Office, but we are losing many years of dedication and experience, which are impossible to quantify. While we have full confidence that God will provide what we need, this is a very good time to stop and offer our thanks to God for what He has already given the Church in the person and ministry of Pastor Myers.

Faces of Stewardship:

The main purpose of these interviews is to highlight the importance and essential participation of volunteers here at Elm Grove Lutheran. It is acknowledged and understood that service to our Lord is freely given through love and faith with no thought of self. It is our goal and prayer that the efforts and personal experience of these active members will inspire and motivate others to get involved with our Lord's work in our church. This month we talked with members Dick & Jean Kruse.

When you see a newcomer in church, what do you do? Do you introduce yourself and talk to them? Is it really that important? Besides, someone else will do that, won't they?

Ask Dick and Jean Kruse those questions. When they moved to Wisconsin, they visited several churches in the area. Elm Grove Lutheran was the only church that followed up their visit to the church with a visit to their home. Because of that visit, they joined EGL in 1986.

When they came to EGL they were already experienced at giving of their time. At previous churches, between them they have served in several roles including Sunday School teachers, Sunday School Superintendent, Choir member, Usher, Treasurer, Elder and Congregational President. And that giving of time continued here at EGL. Dick has been Congregational President and has served on a previous call committee. He is still a member of the choir and the grass mowing crew. Jean belongs to the Altar Guild, plays handbells, is involved in LWML on both Zone and District levels, and is on the Golden Friends Board.

And that isn't a complete list for either of them! When asked why they are so willing to give, the answer comes quickly, "We give because God first gave to us." This is a lesson they both learned early in life. Dick was born and raised Lutheran and says that his parents were both influential in his spiritual life. Jean was raised Pentecostal, being brought to church not by her parents, but her grandmother. Jean identified her grandmother as the influence in her spiritual life. When she married Dick, she was confirmed as a Lutheran, having found her spiritual home.

And the giving doesn't stop at the doors of their church. Dick served 33 years in the Army National Guard. And they currently volunteer once a month at the Bethany Lutheran Church Soup Kitchen. When they aren't volunteering somewhere, they do a lot of travelling. They have four children, nine grandchildren, and two great-grandchildren (with two more on the way). Since all these kids are scattered across six different states, it takes a lot of travelling to see them all.

When asked what advice they would give to someone thinking, "Should I get involved?" they said, "Remember, What if everybody acted the way I am acting? Would the world be better off or worse off?" Good words to live by.

Lutheran Women in Mission

We will celebrate LWML Sunday the weekend of October 1-2, 2016 during the church services and with an exhibit at the back of the church. Check out this LWML exhibit. On the Mission Grants board will be a list of the new grants for the biennium of 2016-2018. There will be issues of the *Lutheran Woman's Quarterly* that you may like to take home with you. Also, packets of Friendship Tea will be available. LWML publishes the *Mustard Seed* devotions, which are short devotions with some inspiring thoughts and prayers, of which you may take an individual devotion sheet. You may also pick up a mite box to fill with your "mites."

Our Elm Grove LWML has two groups, one meeting at 10:00 a.m. every month in the Bartelt Adult Activity Center emphasizing a Bible study from the *Lutheran Woman's Quarterly*. The second group meets at 7:00 p.m. every other month in the Friendship Library on the first Monday of the month. This group emphasizes mission projects.

In September, the evening group decorated small Christmas trees to be sent to members of the Armed Forces. It was a worthwhile project, knowing that these Christmas trees would bring some joy to those serving our country in faraway places. (see p.4)

Our morning group will meet on Wednesday, October 5 in the Bartelt Adult Activity Center. The Bible study, "Joy in all Circumstances," is found on pages 16-17 in the fall issue of *Lutheran Woman's Bible Study*. The key Bible verse for this study is James 1:2-3. "Count it all joy my brothers and sisters when you meet trials of various kinds for you know that the testing of your faith produces steadfastness." Plan to attend. We welcome new members.

Zone 3 LWML will hold its Fall Rally at Beautiful Savior Lutheran Church, located at 1205 S. East Ave. Waukesha on Saturday, October 22, 2016. Registration and breakfast will take place at 9:00 a.m. with the program and business meeting following at 9:30 a.m. Keynote speaker will be Rev. Peter Kelm, who will present a program of what is happening in missions within our South Wisconsin District. The Bible study will be led by Rev. Peter Schmidt, the pastoral

counselor for Zone 3. Plan to attend.

The Ingathering for the rally is for the SOS Center in Milwaukee. This is a Lutheran organization located at 46th and Center with a mercy ministry, mainly focusing on inner city children with afternoon tutoring, summer tutoring and VBS. Items to be given include loose leaf paper, pens, calculators, poster board, and construction paper. There are other items needed for general supplies and office supplies. You can check this out on the LWML bulletin board at the lower entrance to the church. If you would like to give to this Ingathering, please put your donated items in big LWML Mite Box.

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him." Colossians 3:17

"Eyes of Life" presents voice for life-issues discussion

Eyes of Life is a new LCMS campaign to provide a positive voice in the discussion of life issues: life from conception to death – all in God's time.

"Eyes of Life is a conversation about life in a culture of death," observes Deaconess Pam Nielsen, associate executive director of LCMS Communications. "Let's see life the way our Lord see life; and let our story reflect what we see. Life."

At their website (eyesoflife.org) you will hear from a number of people who provide their perspectives – all with eyes of life:

* Parents who were encouraged to terminate a pregnancy, yet chose life. The grateful mother explains, "We want people to see the miracles God has done for us."

* An orphan whose biological mother chose life over abortion, who says, "God made you and wants you to have life."

* A stroke victim who can no longer fulfill his previous vocation, yet is far from useless and who proclaims, "God must have some blessing in this."

Nielsen notes that *Eyes of Life* "is a way to speak for – rather than against – something. The lines of the life battle are full of vitriol and anger on all sides. What is needed is a positive voice for life. All life. Let's celebrate life at every stage. Let's support it. Let's encourage it."

What is your story? How has God taught you to see with eyes of life? How has God led you to value all life? How does your Baptism give you the eyes of life? How does the cross of Jesus bring you through the valley of the shadow of death to see that the very presence of Christ is your life? How does the resurrection of Jesus shape your life as one of hope and anticipation of eternal life?

Share your story. Write a brief account. Film a video. Post on social media with the hashtag *eyesoflife* (*#eyesoflife*). Post on eyesoflife.org

On July 19 22,000 teens and adults were invited to share their story at the 2016 LCMS Youth Gathering in New Orleans.

Erik Lunsford, managing photojournalist with LCMS Communications, introduced the *Eyes of Life* campaign to them with a short presentation encouraging all to share their story to proclaim life as a gift from God's hands.

"I'm thankful to God for bringing us the people involved in *Eyes of Life*," Lunsford comments on the launch of the campaign. "To hear their stories, tell their stories using pictures, and introduce their stories before a dome full of faithful youth and adults has been extraordinary. I pray we change lives through their stories as they hear the Word of God and see how He works through people in His service."

Singer songwriter Erin Bode followed Lunsford's presentation with the debut of her single, "Right from the Beginning," which she wrote as part of the *Eyes of Life* campaign.

BUILDING FAITH... ONE CHILD AT A TIME

**"I HAVE NO GREATER JOY THAN TO
HEAR THAT MY CHILDREN ARE
WALKING IN THE TRUTH"**

3 JOHN 4

EST.
1955

FROM THE PRINCIPAL: On Reformation Day we celebrate the gift of God to the Church through His servant Martin Luther. Luther reminded us of our freedom from the Law in the Gospel of Jesus Christ. Jesus told the self-satisfied religious leaders of His time, "Everyone who sins is a slave to sin" You see, they thought, "I've got it made." They believed that their birth automatically made them free. In the 16th century many religious people felt much the same way. Birth and religious vocation gave a false sense of freedom. Is it possible for us as church members with good records to make the same mistake – "I've got it made"? We joyfully realize that the Son makes us free. Jesus Christ took on the slavery of the Law and died to atone for the world's sin. God declares the world righteous for Jesus' sake. "So if the Son sets you free, you will be free indeed." (John 8:36) Luther discovered that freedom through faith in Christ, and the gates of Heaven opened to him. We rejoice in our movement from slavery to freedom and live in that freedom.

Childcare

- Our average attendance numbers are rising. We presently have 12 infants enrolled, 19 enrolled in childcare which includes before and after school care.
- We are looking forward to having some new families joining us.
- The EGL Ladies Service League purchased a new refrigerator for the childcare. The childcare staff greatly appreciates the donation.
- I am very appreciative of my staff this year. I have a great team of ladies who are dedicated in working toward the success of our program and work extremely well together. Much is being done this year in the area of music, art, Bible stories,

letters and counting, etc.

- The childcare made a profit in the amount of \$32,000 in the last fiscal year.

School

- Our present enrollment is 100, last year we were at 95. We lost 18 students (10 graduates, 5 moved, 1 to public kindergarten, 2 to public middle school) and we gained 23 students.
- 67% of our enrollment are members of Elm Grove Lutheran church and 33% are non-member of our church.
- Our students participated in the Feed My Starving Children servant event at Brookfield Lutheran on Friday, September 23. This Christian non-profit organization works to package life-saving meals that will be delivered to children all over the world. This was our eighth year of participation. Last year, EGL packed 115 boxes of meals, which was enough to serve one hot meal daily to 68 children for one year.
- We are currently doing our annual Fall Fund Raiser, "Race for Education." Last year we raised over \$13,000 for the school. New laptop computers were purchased for the teachers.
- A gate has been installed outside of the gym doors which is closed during the school day to keep traffic from entering the parking lot as children are out at various times throughout the day.
- New bleachers in the gym have recently been installed and team sport chairs purchased. Thank you to the Golf Outing/auction Committee for their leadership in providing funds for these recent projects.
- The faculty will be attending the Lutheran Education Association Convocation in Grand Rapids, Michigan on October 13 – 15. The theme for the Convocation is Grow. Based on 2 Peter 3:18, "But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever!"

CHOICE PROGRAM:

This year we received 70 applications, 47 were submitted to DPI, 9 decided to attend another location, 1 was ineligible, so our current number is 37. (26 students are returning students, 11 are new students (2 existing) Elm Grove Lutheran is a participant in the Milwaukee Parental Choice Program and the Wisconsin Parent Choice Program.

NEW EGL TEAM CHAIRS HAVE ARRIVED!

“And those who are far off shall come and help to build the temple of the LORD.” (Zech. 6:15)

Can you imagine going to a church that doesn't have a roof? In Africa, congregations are able to build the four walls of their churches using existing materials—locally sourced mud and bricks. However, the tin shingles needed to actually build a roof on the church structure are often financially out of the reach of the congregation.

This project will fund the shingles, tools, and materials needed to complete church roofs in Africa.

How will your gifts be used?

- One piece of high-quality tin sheet costs on average \$15.
- Tools for a roof (hammer, saw, and machete/axe) cost \$25.
- Nails for a roof cost \$30.
- Trusses (the wooden structures supporting a roof) cost \$100.

Please join the children in Chapel every Wednesday beginning at 8:40 a.m. to help support the offerings to this project providing a better place for children and adults to worship God and learn about the amazing love of Jesus.

Water Balloon Day October 18 at 10:30 The following students will be trying to target Mr. Fick with water balloons as he tries to dodge them while riding a tricycle! *Chloe Handrich, Megan Hedtke, Christiana Words, John Hartz, Olivia Rosenberg, Danielle Scepanski, Clara Strelow, Madeline Hedtke, Matthew Stoll, Sophie Handrich, Jacob Rentmaster, Brandon Scepanski, Amalia Ward, Brinnly Ward, Christopher Words, Emily Andrew, Athan Speck, Carrigan Ward, Crystal Words, Allison Gronitz, Zoe Keck, Caleb Hedtke, Jael Speck, Addison Keck, and Delaney Ward*
