Our Goals;

To help each child grow socially, emotionally, mentally, physically and spiritually.

To assist each child in sharing, working independently, working together, following directions, and listening.

To provide a variety of learning experiences in a safe and loving environment in which each child is special.

To be a bridge between the child's home environment and future schooling.

To nurture each child to develop a relationship with Jesus as Savior and Lord.

To offer encouragement and support to preschool families through education and spiritual ministry.
