

Cooked Playdough

3 cups flour
¾ Cup salt
3 tsp Cream of tartar
3 Cups water
3 Tbsp oil
Food Coloring

Mix all ingredients and stir until smooth. Cook over medium heat until the dough starts to get "clay consistency." You will go through a hard to stir stage before you hit this one and you'll be convinced you've ruined it. Just keep stirring and it all comes together very nicely. Remove from heat and knead when cool. Store in Ziploc bag or air tight container. Please bring to our classroom by the 1st of the month. The playdough keeps well for several weeks.
