

"...our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of your hand, O king. But if not, be it known to you, O king, that we will not serve your gods or worship the golden image you have set up"
- Daniel 3:1-18

The story of three young men and a fiery furnace reminds us of the power of faith. Despite being faced with certain death, the men refused to bow down to Nebuchadnezzar's golden image. They did so believing that God could miraculously deliver them unharmed from the heated flames. But they also acknowledged that God didn't have to save them from the furnace. Their faith enabled them to face the fire knowing that no matter the outcome, God would be with them. God is with us too as we face the 'fires' before us. One way or other, He will deliver us too.
