

March 19, 2020

Dear Brothers and Sisters in Christ,

The COVID19 outbreak has disrupted our normal routines. Services will be suspended at First Lutheran Church beginning March 18th, 2020. I am writing this letter to encourage you to continue your financial support of First Lutheran in the absence of services. The congregation still has payrolls to meet, utilities to pay, and other essential expenses. As you know, we intend to call an Associate Pastor this summer, which will require support.

I am very proud of our congregation. We have no pledge system, and we rarely mention money, but we always have adequate resources to meet the spiritual needs of our community. Thank you for your support.

I know many of you have lost your income or have had it greatly reduced. We are not asking for you to support the First Lutheran ministry beyond your ability. What we are asking is that you support as you are able, or continue your past level of support, if possible. We also encourage you to sign up for the Simply Giving program as an easy way to provide your gifts. An alternative is to mail your weekly offering to the church office:

Thank you and God bless you,
