

MEET YOUR BOARD

KARLA ARRIGONI

As board chairperson, I'd like to welcome you and you're family Kids at First Lutheran(KAF). Part our mission is to not only provide a preschool education, but also to opportunities for your child to be involved in service projects. My children attended KAF many years ago and the service projects were a highlight for them.

Since I'm not able to be physically available on site, I'd like to encourage you to reach out with questions or concerns to dayschool@firstlutheranricelake.com

KATIE MARSHALL

My name is Katie Marshall. I am a board member, church member, and had children who attended Kids at First. I used to teach 4th grade, but now I help my husband with our own business and watch our 2 year old girl. We also have a 7 year old boy and a 5 year old boy. I love to spend time with friends and family, read, watch movies, and travel.

CASSI ZIMMERMAN

My name is Cassi Zimmerman. I have two beautiful boys, Ethan and Colby! I work at a local manufacturer as a Human Resources Manager. I have been a member of First Lutheran since 1999 and a member of the board since 2021.

I have been a member of the Kids at First board for about two years now. My Family and I are also members of First Lutheran Church and Preschool. I have two little girls both of whom have attended Preschool at Kids at First. I also teach the elementary school Sunday School class at church.

We live on a small hobby farm just outside of Rice Lake. We enjoy our time outside gardening, camping, and taking care of our animals. I have a passion for helping our little children learn more about Jesus and love being involved in helping them learn and grow!

MEET YOUR BOARD

JULIE KASPER

Hello. My name is Julie Kasper. I live and teach kindergarten in Rice Lake. I am a church member and have been on the preschool board for about 12 years. I enjoy working with the staff, board, and church to make decisions so your child has a great preschool experience.

My name is Marissa Schlender. My son currently attends Kids at First Preschool and I joined the board recently to be an advocate for the program that I have grown to know very well from my time as a hands-on volunteer in the classroom. I am a stay at home mom, which allows me the opportunity to be such an active volunteer within the program. Preschool is such a fun learning experience for the children and I love being able to aid in that experience for them!
