All Welcome

Dear Parents:

Love is in the air! Happy February. Also warmth and sunshine is in the air, as I write this article. I hope you are enjoying the outdoors. We have a lot of lovely crafts and games planned for this month while we share our Love theme. We will celebrate Red Day and Valentine's Day in each class. (information has been sent home this week) At the end of the month are theme will be Space. Our letters of focus are: Ll, Zz, Qq and Kk. Bible stories will include "Lydia Believes in Jesus", "Zacchaeus," "The Pharisees Question Jesus" and "God keeps His Promise To Abraham." Our number is 6 and our shape is a heart.

It is with a heavy heart that I report the death of Jeff Arnheim. His grandson Evan is in our 4 day Pre K class. Jeff and Bonnie have custody of Evan. At this time, Bonnie and Evan are doing okay. They have some challenges ahead. I'm very appreciate of the support they have received so far from Evan's classmate's families and others at school. We are looking into a fund raiser at a later date to help them. I will keep you posted. Also, please see Bonnie's note below.

We are excited about registration for the Fall 2019. Please share your school experience with others that may need a preschool for their children. At this time we have openings in our 2 Day 3s class. All other classes are full with a waitlist.

Blessings,
Angie Hohl
Program Director

Donations Needed

Looking for donations of nearly new/gently used beanie babies or small stuffed animals for our birthday bags.

See Angie or Laura for more information.

To all at Little Lambs,

Evan and I want to thank all of you for being constant support emotionally during this very sad time for us upon my husband's passing. We are so grateful for the friendships we have made, the delicious food, gift cards, etc. Sometimes it is hard to hold back tears and there are always smiles and open arms to comfort us. I am sure at times I will need some care for Evan or just someone to help out with the "guy" stuff I don't know how to do. We do not know what life holds for us or when it is time to say goodbye....and I feel that Jeff left way to soon but he is not suffering anymore with his condition. Evan has a beautiful way of saying things that make me feel that he understands way more of the Christian faith than I knew. Little Lambs has been a great school for him in that way. Again, thank you all for the smiles, the hugs, and friendship.

Bonnie Arnheim & Evan McKnew

For God so loved the world that He gave His only begotten Son that whoever believes in Him shall have everlasting life.

John 3:16

What do you say Pre K?

Welcome to the month of love! There are many skills that we will be focusing on during our love unit, such as tuning our fine motor skills, creating patterns, and sorting which will all be done using hearts. Look for a special gift made just for you with love, that will come home on Valentine's Day. Baking a tasty treat and making slime will be great fun for all. On Valentine's Day we will exchange valentines with all of our friends who we love so much! The second half of the month we are going to Outer Space! With all of the fun activities we have planned, it is sure to be a blast!

Blessings,
Stephanie and Cindy
Renee' and Peggy

Owl Eyes on the 3s

Love is in the year! Happy February. This month we will start talking about love and Valentine's Day. We will continue to strengthen our current skills by cutting out hearts and making beautiful valentine art as well as art with our letters LZQ and K. Concluding this unit will be our Valentine's Day party. In the latter part of our month we will have our unit on space. We will have fun space activities and adventures in our room! Stay warm!

Blessings,
Rebekah, Jenny
Sandy & Joanne

News for the 2s

February is the month of celebrating love! We will begin the month with our Valentine theme. We will make some silly heart puppets and make a caterpillar out of hearts. We will sing a song about 5 little hearts and read some special Valentine books. Next we will jump right into our space theme. We will make a moon out of puffy paint and talk about the stars and planets. Just a friendly reminder to restock your child's clothes in case they have an accident.

Blessings,
Jenny B, Jenny W & Mary

Inclement Weather

LLPS Weather Policy: If Calvert County Public schools are closed due to inclement weather, we will be closed. If they open 2 hours late, we will open on time unless we contact you. If they close early, we will assess the situation and make a decision as early as possible and contact families if we need to close early.

4 Things To Ask Instead Of "What Did You Do Today?"

1. Who do you want to play with tomorrow?
2. Was is anyone's birthday today?
3. Was anyone absent today?
4. Who did you sit next to during snack/lunch?
