All Welcome

Dear Parents:

“For God so loved the world that He gave His only Son, so that everyone who believes in Him, may not perish, but may have life eternal.” John 3:16 NRSV  
What a great time to be reminded how much our heavenly Father loves us. Love is in the air at preschool! Today as I write this article so is warmth and sunshine outside. And if we're being honest....so are germs and sick kids. We are seeing a lot of different ailments at school. We encourage you to help your children, cover their coughs and sneezes, get rest and eat healthy. And always... Wash your hands! If children become sick at school we will call you and ask for you to pick them up so they can get the care and rest at home that they need. All children should be fever free, vomit free and diarrhea free for 24 before returning to school after any illness.

Besides our unit on Love we will also be learning about dinosaurs. Our letters this month are Yy, Hh, Kk and review. Red is the color of the month. Bible stories will include “I Love You God”, “Barnabas Shows His Love for Jesus”, “Our Lord Is Great And Very Powerful” and “Jesus Will Return As King”.

We have begun community registration already. We still have some openings in the 2 day 3s and the 3 day Pre K. We have wait lists available for the other classes. Please share this news with family and friends looking for a preschool for the Fall.

Blessings,  
Angie Hohl  
Program Director

## LLPS IS CELEBRATING 20 YEARS!

Please join us on  
Sunday, March 1, 2020 at the  
10:45 am service. Our currently  
enrolled students will be singing  
at church to kick off our celebration of 20 years!  
More details to follow. Mark Your Calendar

“Indeed, God did not send the Son into the world to condemn the world, but in order that world might be saved through Him.” John 3:17

### What do you say Pre K?

Happy February, Love is in the air! There are many skills that we will be focusing on during our love unit, such as tuning our fine motor skills, creating patterns, and sorting. We will learn all about the groundhog and shadows. Making pudding in science and baking a tasty treat will be great fun for all. At our Valentine’s Day party, we will exchange valentines with all of our friends who we love so much! A special gift made just for you with love will be sent home for Valentine’s Day.

The second half of the month we are going to learn about dinosaurs! With all of the fun activities we have planned it is sure to be a roaring good time!

Blessings,  
Stephanie, Cindy & Joanne  
Renee’ and Peggy

### Owl Eyes on the 3s

Love is in the air! This month we will begin with love and Valentines Day! We will paint hearts and talk about God’s love. Information regarding our Valentines exchange went out last week. After we celebrate Valentine’s Day, we will learn about dinosaurs. Everyone will become an archeologist and open a dinosaur egg. Feeding the dinosaur will be a fun counting game to play. Lastly, making a stegosaurus will help us how to spell our names.

Blessings,  
Rebekah, Jenny  
Sandy & Joanne

### News for the 2s

February is our month to celebrate love! For our love theme, we will paint hearts and learn a song about 5 little valentines. For our dinosaur theme, we will make dino stamped art and sing dinosaur dinosaur turn around. We are looking forward to our Valentine’s party. Gentle reminder that we go outside as often as possible. Please make sure your child has appropriate clothing and coats/hats/mittens.

Blessings,  
Jenny B, Jenny W & Mary

### Inclement Weather

LLPS Weather Policy: If Calvert County Public schools are closed due to inclement weather, we will be closed. If they open 2 hours late, we will open on time unless we contact you. If they close early, we will assess the situation and make a decision as early as possible and contact families if we need to close early.

### 4 Things To Ask Instead Of “What Did You Do Today?”

1. Who do you want to play with tomorrow?
2. Was is anyone’s birthday today?
3. Was anyone absent today?
4. Who did you sit next to during snack/lunch?
