Dear Parents:

Hard to believe we are 3 months away from the end of our school year. It's been a fun and busy year so far and I can guarantee the last 3 months won't disappoint. This month, we are very excited to welcome Grand-friends to our school. We have already sent home detailed info for each class. This is a fun opportunity for the students to share a part of their school day with grand-loves. Our themes this week will be Fun with Books, Bugs and Easter. Letter of the week will be: Uu, Li, Ii, Dd and Ee. Our color is green. Bible stories will include: "Paul Writes Letters To Help Us Follow Jesus", "Mary Listens To Jesus", "Jesus Talks To Mary in The Garden", "Jesus Rides Into Jerusalem On A Donkey" and "An Easter Gift".

At the end of the month we will be sharing God's word and Christ's love with our students by sharing the Easter story. It is much easier to talk about Jesus' birth than His death. This story brings so much hope to Christians as we know He is alive in Heaven and those that believe will share eternity with Him. Death is a subject that families deal with in different ways. At school, we use age appropriate materials to share His story. As with any subject at school, its easy for children of this age group to mix things up and be confused. Please feel free to share with me and/or your child's teacher any questions or concerns you may have about this topic or any thing else at school.

Here's to warmer, sunnier days ahead!

Blessings,
Angie Hohl
Program Director

EASTER EGGS & EGG CARTONS NEEDED

We will be collecting filled plastic Easter eggs for our classroom egg hunts. If you would like to donate filled eggs, please look for the sign up sheet in the main building and the learning cottage. Please have donations turned in by Friday, March 27th.

GRAND-FRIEND'S DAY

“In Him our hearts rejoice, for we trust in His holy name”.

Psalm 33:21

What do you say Pre K?

Happy March!

We will kick off the month with our Fun with Books unit. Do you like Green Eggs and Ham? We are going to find out if Pre-k does as we celebrate Dr. Seuss's birthday. Practicing our fine motor skills and size sequencing with Yertle the Turtle are sure to be a lot of fun. “Chicka-Chicka, Boom-Boom” is always a class favorite. Our names will try to climb to the top of the coconut tree, will there be enough room? These are just a few of the activities we have planned for this fun unit.

Grand-friends Day is on March 5th. Our grand-friends will join us for a tasty lunch, a class book made just for them, and a few special hand-made gifts!

Speaking of visitors, we hope to have another visit from a small little man in a green suit. This little man likes to create a wee-bit of a mess in our classroom. He typically comes every year on the day we wear green!

The long month of March will end with our Easter unit. We will discuss what Easter is truly all about with many fun activities. A few of these activities are making crosses, cute familiar chicks, and resurrection rolls. We are planning a Pre-K field trip later in the month. Details will be sent home soon!

Blessings,
Stephanie, Cindy & Joanne

Owl Eyes on the 3s

We are welcoming March in the owl room! This exciting month begins with our Grand-friends for a special day at school on March 5 & 6. We will also begin our month with our favorite Books to celebrate Dr Seuss' birthday. We will read a new book and have a coinciding activity with each book. The middle part of March, we have a unit on bugs...ewww. We will have fun with the creepy crawlers;)

The latter part of the month, we will talk about the life, death, and resurrection of Jesus. We will be making related crafts for the Easter Holiday and celebrating with an Easter egg hunt and party. As always, we will make letter crafts and strengthen our scissor skills. Please look for more information about our Easter celebration.

Blessings,
Rebekah, Jenny
Sandy & Natalie

News for the 2s

Welcome Spring! We are finally ready to get back out on the playground and enjoy sunny weather. During our fun with books theme, we will read “One Fish, Two Fish, Red Fish, Blue Fish” and make a handprint craft. We will jump into our bugs theme by painting with some creepy crawlies. We will learn an insect song to the tune of “The Wheels on the Bus”. Finally for our Easter theme, we will make a fun Easter egg stamping craft. A gentle reminder to please include a full set of clothes in your child's backpack in case of an accident.

Blessings,
Jenny B, Jenny W & Mary

VACATION BIBLE SCHOOL

First Lutheran Church's VBS will be July 13-17, 2020
9am-Noon.

Ages 4 years to 8th grade.

Sign up by June 1, 2020 for a discount.

Please see Laura or Angie for registration forms.

It's really not too early to be thinking about summer. LLPS will be offering classes of mixed ages for June 2020. Classes are open to currently enrolled students. Children must be potty trained. Classes will meet on Tuesdays and Thursdays from 10am-1pm. Children bring their own lunch. Students must attend both days a week and can't split up days between sessions. 12 children per class (minimum 8). Sign ups will begin in April.
