## **A Note From Our Pastor**

Dear Easter Friends,

Alleluia! Christ is risen.

Learning something is hard, especially when trying to learn it on our own. I'm glad I had teachers who helped me learn my ABCs, math and science, and the arts. And that they also helped me learn to dig into the basics to understand why things worked the way they did. They've helped me throughout my life. I thank Mrs. Wong, Mrs. Fetzger, Mr. Simpson, and Mr. Nido – to name a few of the schoolteachers I had. Next time you figure something out – thank a teacher for helping you develop the gifts God has given you.

While the 3 Rs, "readin', ritin', and 'rithmetic", are important, the most important subject is God's word. In His word we hear how to live our lives in this world in a way that also leads to eternal life. But, to understand God's word we need good teachers. We see one of these teachers in [Acts 8:26-40](#). An official in Queen Candace's court was trying to figure out the prophet Isaiah. Guided by the Holy Spirit, Philip asked if he understood what he was reading. The official said, "*How can I, unless someone guides me?*" So, Philip taught him the good news about Jesus. Because of Philip's teaching, the official started understanding God's word and how his eternal life depended on faith in Jesus. He told Philip, "*Here's water! Baptize me!*" So, Philip did – by the power of the Spirit, the man was saved for eternity by the most important knowledge of all, that Jesus came to save Him from Satan, sin, and eternal death.

God calls on us to teach others about Jesus through our words and deeds. He also encourages us to turn to His word for guidance when we're unsure of something. We're both teachers and students of His word. Let us all continue to learn from God while also teaching others that all might come to believe and trust in God's promises of forgiveness and eternal life through His Son, Jesus.

He is risen indeed. Alleluia!

In the Risen Christ's Love,  
Pastor Jim

*Prepare for worship this Sunday. Our readings for  
May 2nd are Acts 8:26-30; 1 John 4:1-11;  
and John 15:1-8*

### **Monday**

### **"Beautiful Feet" Bible Study Starting on April 12th**

The Gospel of Mark doesn't bother with shepherds or angels or baby pictures. Instead, this Gospel begins like a block of ice dropped from the balcony into the deep end of the pool: "The beginning of the good news of Jesus Christ, the Son of God." By verse 5 we are all drenched—standing face to face with John the Baptist! The Gospel of Mark moves at a breathless pace. People enter and exit the text with great frequency. Mark intends for us to notice everything, though, even the smallest of things, as he tucks in a surprise detail here and there in the Gospel. Mark's Gospel breaks into our lives with the invitation to believe in Jesus and to take up our cross and follow him. Join us on Monday evenings on the Zoom platform via your smart phone or iPad or desktop computer at 7:30 PM (EDT). Contact Dawn Boyd ([dawn\\_boyd@me.com](mailto:dawn_boyd@me.com)) for information on receiving the weekly reading assignment and set of questions that will accompany our study. Jesus followers from locations around the country gather together via the Holy Spirit and our screens. Come, as we, too, encounter an empty tomb and must decide where we will go, what we

will say, and what we will do on the rest of our spiritual journey with Jesus! (description of Mark's Gospel is from Kimberly Clayton Richter)

### **+++ Stewardship +++**

God calls us to work in His vineyard using the gifts He has given us all in advance – the time associated with our lives; the talents of knowledge, skills, and abilities to be His hands, feet, eyes, ears, and lips in the world; and our treasure. He calls us to use these gifts generously, trusting Him to replenish them as needed, to serve His church and the world. Please prayerfully consider how God is calling you to serve Him with the gifts He has given you.

Prayer is the privilege of every Christian. Through Jesus' death and resurrection God brings forgiveness of sins and makes every believing person part of His family, the church. At the initiative of His grace, the Holy Spirit empowers faith for eternal life as well as faith for answered prayer. Prayer is conversation between a child of God and their heavenly Father.

**The World:** Grant peace, comfort, and hope in the promise of the Gospel throughout God's creation. We pray especially for those living in nations in the midst of war and conflict: Afghanistan, Myanmar, Brazil, India, and Central America; the oppressed in all nations, and all battling health emergencies, epidemics, and pandemics.

**Our Country:** President, Vice President, Congress, Leaders Local, National, & International. Grant wisdom to lead and serve humbly in accord with Your word.

**For Those Currently serving in the Military, Law Enforcement, and in vocations that serve and protect our communities:** keep them safe from harm and enable them to serve according to Your will.

**All Healthcare Providers, First Responders, and Scientists:** Grant them protection from illness as they encounter and treat those with the COVID-19 and other illnesses. Grant them rest and recovery to keep them strong. Guide their hands and minds to discover and provide treatment and bring healing to all people in all places.

**Teachers, Administrators, School Workers, Parents, and Students:** Grant wisdom to all involved in making decisions about the manner in which education will occur in the coming schoolyear. Grant peace and protection to all that anxiety and disease may be kept at bay. We pray especially for all involved with FLC's Little Lambs Preschool.

**Those Seeking Change:** Grant peaceful expression of opinions that necessary changes are adopted where needed. Defeat the evil one and his means of violence and destruction on all sides which sows seeds of division and wickedness which only tear the fabric of creation apart.

**All Affected by Fires, Hurricanes and Floods, and other Natural Disasters –** May God send rain where needed, dryness where needed, and relief in any form where needed. Protect those affected from harm and danger and restore their lives to whole again. Grant energy and strength to all who are responding with disaster relief.
