NOTES

Tuition and Registration Fees

Tuition and registration fees are established by the Board. At the time of registration a registration form must be completed by the parent (or authorized guardian) and a registration fee, along with the child's tuition for the first month will be collected. Currently enrolled families may pay a portion of the tuition for the first month of enrollment. The balance of the tuition for the first month of enrollment will be due May 1st. Currently enrolled families must be up to date with respect to their tuition payments prior to registration for the following year.

Each month, tuition is due for the following month on the first day of your child's class. Registration fees and paid monthly tuition are non-refundable.

A fee will be charged for all returned checks. This fee and any outstanding registration fee or tuition amount will be due immediately upon notification.

Tuition Discounts

If two or more children of the same family are concurrently enrolled, each child after the oldest child is eligible for a ten percent tuition discount.

Volunteer Opportunities

Parents are not required to work in their child's classroom. Sometimes volunteers are needed for special events at school, to make items or assist with projects from home (playdough, baked goods, costumes, cutting, assembling, etc.) or to donate items. There will be sign-up sheets or contact from your child's teacher or administration when the need arises. Volunteers at the school when school is in session will be asked to wear a nametag and assist under the direction of a LLPS staff member and will not be alone with students. Volunteers are asked to follow the staff member's instructions and keep events regarding specific students at school confidential. Regularly scheduled volunteers that work directly with students meet the requirements of LLPS staff in regard to a fingerprint/background check and new staff orientation.

Welcome!

Welcome to Little Lambs Preschool (LLPS), a ministry of First Lutheran Church. We seek to promote learning in a safe environment of love, acceptance, discovery and exploration. We recognize that children are alike in many ways but also different from one another. We look forward to discovering your child's unique personality.

As a ministry of the church we seek to give God the glory in all we do. Our mission is to joyfully proclaim and enthusiastically share Christ's love with preschoolers and their families. Our goal is to prepare children for later school experiences. Little Lambs Preschool staff provide affection, support, and comfort as often as needed. They encourage children to satisfy their natural curiosity, learn about their environment and explore cause and effect relationships. Children are helped to discover God's presence, love and care. They are taught through stories, songs and actions of the constant presence of Jesus and His love for them.

Once again, welcome to the family of First Lutheran Church and LLPS. Feel free to contact me with any questions, concerns or compliments at any time.

Angie Hohl
Program Director

Toilet Training

Two-Year Olds

Toilet training is a major milestone in your child's life! We would like to support you in this endeavor. Parents and staff need to work together to ensure success for your child. Our goal is to be consistent in working together. Toilet training should not be rushed. When the child begins to show signs of readiness (i.e. wakes up dry after naps, seems to be aware of bodily functions, etc.) is when toilet training should be initiated. If your child does not show an interest in toilet training and resists staff efforts to help, the training will be postponed until an interest is shown. If your child is being toilet trained, please pack a change of underpants (or training pants) and clothes in a plastic bag and place it in your child's backpack.

Three-Year Olds

Children in the three-year old class are expected to be toilet trained. If, after a certain period, a child in the three-year old class is not toilet trained, the child may no longer be eligible for enrollment and may be asked to withdraw following the recommendation of the Program Director and approval of the Board.

Pre-K

Children in the Pre-K class must be toilet trained. If a child in the Pre-K class is not toilet trained, the child is no longer eligible for enrollment and may be asked to withdraw following the recommendation of the Program Director and approval of the Board.

Staff Requirements

The Maryland State Department of Education Office of Childcare requires a lead teacher to have a 90-hour childcare class, one year of experience, and be 18 years of age. An assistant teacher is required to be 18 years of age. Traditionally, LLPS has maintained a staff that exceeds these expectations.

Little Lambs Preschool seeks Christian staff who have a love of the Lord and have a strong desire to teach preschoolers. All employees are fingerprinted and have cleared a background check.

Staff-to-Child Ratio Requirements

The state of Maryland requires the following staff-to-child ratios:

- Two-year olds: One staff member to six children (class size not to exceed 12)
- Three-year olds and Pre-K: One staff member to 10 children (class size not to exceed 15)

Customarily, LLPS operates with lower than required staff-to-child ratios in all of its rooms as follows:

- Two-year olds: One staff member to five children (class size not to exceed 10)
- Three-year olds: Two staff members to 12 children (class size not to exceed 14)
- Pre-K: Two staff members to 14 children (class size not to exceed 15)

Mission

As a ministry of First Lutheran Church, Little Lambs Preschool joyfully proclaims God's Word and enthusiastically shares the love of Christ with preschoolers and their families.

Little Lambs Preschool serves two equally important missions: the Christian education of the congregation's children and the sharing of the faith with children of the community. Both are important. Neither is of greater value than the other. Sharing the love of God with young children is vital. It is during this time in their lives when they are most receptive to learning about God's love through the words and actions of people around them. Children learn concepts, values and attitudes that will remain with them throughout their lives.

In keeping with its mission, Little Lambs Preschool welcomes equally the children of the congregation and the greater community. All are alike in God's eyes and in the minds of those who devote their lives to the development of Jesus' special ones.

Statement of Philosophy

The practices of Little Lambs Preschool are based on current knowledge of child development and early childhood education. We are responsible for supporting the development of the whole child. All areas of development are considered interrelated and equally important. Our program acknowledges that children learn through active, hands-on involvement with their environment, peers and caring adults. We respect each child's unique interests, experiences, abilities and needs. Children are valued as individuals, as well as part of a group. Likewise, our program respects and supports the ideals, cultures, and values of families in their task of nurturing children. We advocate for children, families and the early childhood professionals within our programs.

Goals

The goals at LLPS are as follows:

- To lead children to a greater awareness of God's love as it is revealed to us in Jesus Christ.
- To help children develop an appreciation of their surroundings in God's world and a loving concern for all people.
- To provide children with opportunities for social interaction with other children through group activities under the supervision of qualified teachers.
- To prepare children for later school experiences.
- To minister to unchurched families.

Scholarships

Little Lambs Preschool offers financial aid to eligible families. Please contact the Program Director for more information.

School Calendar

Little Lambs Preschool operates from September through May. A detailed yearly calendar is provided to all families at orientation.

If frequent school closings (because of inclement weather or other reasons) bring the total number of school days to less than 90%, make-up days will be provided.

Screen Time

LLPS does not currently use computers in the classroom. We are in compliance with the Office of Child Care in regard to "Interactive Technology" and "Passive Technology." We usually only use movies, videos and or cartoons during special events at school (camping theme & pajama day.) In the event we choose to watch a special show it will not exceed 30 minutes. Parents are notified in advance of the show content. Technology will not be viewed during meals or at snack time.

Special On-Site Activities and Field Trips

First-hand experiences are a very important part of the LLPS program. Generally, we hold at least one special on-site monthly activity. Activities range from our Fall Festival to Grandparent's Day to the ever popular Pajama Day! These activities are not only filled with fun and variety, they are designed to promote physical development and early learning.

Occasionally, off-site field trips are planned to expand the children's knowledge through out of school experiences. Parents will receive advance notice of any field trips. Parents are responsible for transportation to and from the field trip location and your supervision is required for the duration of the activity. If you choose not to participate, then your child will need to remain at home on the day of the field trip.

Persons Authorized to Pick-Up Child

At the time of enrollment, parents must provide us with the names and telephone numbers of persons authorized to pick-up the child on the emergency form. It is the parent or guardian's responsibility to notify the school of any changes in this authorization. If someone other than the authorized person is to pick-up your child, please notify the school in writing.

We will release children to authorized persons only. Photo identification may be requested by the school before the child is released.

Photo Policy

Little Lambs Preschool reserves the right to use your child's photo for any school related publicity or classroom activity unless we receive written notification otherwise.

Registration

Normally, registration will first be offered to all currently enrolled families (including siblings of currently enrolled students) of LLPS in February and then be opened to the community in March.

Religious Experiences for Children

A variety of experiences bringing children closer to God are provided in every class. These include chapel time with a member of the ministerial staff, prayer before meals, Bible stories about Jesus, and talking about God as a normal part of conversation between adults and children. Integrating the Christian faith into every aspect of the children's experiences is a major emphasis in the LLPS curriculum.

Absences

As a courtesy, please notify the school when your child will not be in attendance.

If your child is absent more than three consecutive days of school due to illness, LLPS requires a written note from either a parent or physician.

Animals/Pets at School

Some of our classes may have a live mascot in their classroom (fish, frog, etc.) From time to time we may have the opportunity for animals to visit us for a one-time or special occasion at school. Every effort will be made to notify parents in writing prior to their child's class having a live animal in the classroom or at the school.

Birthday Celebrations

Little Lambs Preschool recognizes that birthdays are a special day for our children, therefore we cherish the opportunity to celebrate life. Children are welcome to bring a special snack to share on their birthdays, however this is optional, and we will celebrate your child's birthday regardless. Please check with your child's teacher for any food allergies in the classroom.

Also, keep in mind good nutrition. Special snacks not only include cupcakes and sweets, but fresh fruit, cheese assortment with whole grain crackers, yogurt tubes, fruit and cheese kabobs. The options are endless!

Children's Arrival and Dismissal

Arrival

For your child's safety, we require that you, or another authorized adult, bring your child into the program each morning and get him/her settled. Sign your child in upon arrival. Be sure that a staff member is aware of your child's arrival before you leave.

As a courtesy, please notify the school if your child will be late or not be in attendance.

Dismissal

During dismissal, all children are escorted directly to the parking lot by their classroom teacher. Parents are expected to be in the car pick-up line at each class' specific ending time.

If an emergency delays you and you are going to be late picking up your child, please call the school before dismissal time.

In the event that your child is still at the school past dismissal time, and we have not heard from you, we will take the following steps:

- Your child will be brought to the Program Director's office to wait for your arrival.
- We will attempt to reach you at all possible contact numbers.
- Finally, we will call the people listed on your Emergency Form.

Medication Administration

The administration of medication to children by school staff is discouraged. However, decisions as to the administration of medication will be made by the Program Director on a case-by-case basis.

If a physician deems it necessary, and the Program Director has approved the request, the following conditions should be met for medication administration:

- A Medication Authorization Form must be filled out by the parent and given to the Program Director.
- All medication must be brought to the school by the student's parent/guardian.
- All medications are to be labeled with the student's name and in the original container.
- All medication shall be returned to the parent at the end of the time period designated by the physician, or upon the expiration date, or at the end of the school year.
- Suntan, body lotions, and bug spray should be applied prior to arrival. However, if your child requires an additional application, please notify your child's teacher for administration policies.

Parent/School Communication

We maintain personal contact with parents on a daily basis. A newsletter is published monthly to keep parents informed of upcoming events, changes in schedule, and program happenings.

Parent conferences are offered once per year at which time we will discuss your child's progress and overall development. Special conferences can be scheduled at anytime teachers or parents feel there is a need.

Inclement Weather Policy

Little Lambs Preschool follows the Calvert County Public School system for closings due to inclement weather.

When Calvert County closes school, LLPS will also be closed. Due to our later opening time, LLPS will open on-time when Calvert County announces a delayed arrival, unless notified by LLPS staff.

Licensing

Little Lambs Preschool is licensed, and annually inspected, through the Maryland State Department of Education Office of Childcare. The preschool is also annually inspected by the Fire Marshall.

Little Lambs Preschool Board

Little Lambs Preschool is governed by a preschool board. Ideally, the Board is made up of members of First Lutheran Church, administrators of the church, and a parent from the preschool. The Board meets regularly to discuss all aspects of the school.

Meals and Snacks

Snacks are served to children in our two- and three-year old classes. We offer a variety of snacks from at least two different food groups that may incorporate our theme, letter, or color of the week.

In our Pre-K classrooms the children bring their own lunch. We are required to serve milk at each meal and refrigerate the lunches. A few times each year the school provides a special lunch. Parents will be notified in advance. A detailed letter explaining our lunch procedures will be sent home prior to the start of the school year.

Children's Safety

Children will be supervised and their activities closely monitored at all times. All safety rules will be strictly enforced at all times.

Injuries will be documented on the Accident Form by a staff member. The teacher will report the incident to the parent/authorized person as soon as the parent/authorized person arrives to pick up the child, and present the Accident Form for signature. A copy of the Accident Form will be given to the parent/authorized person and the original given to the Program Director for filing.

Class Offerings:

Little Lambs serves children ages two-five. The classes are broken down as follows:

- Two-Year Olds: Children who will be 24 months old as of September 1st are eligible for our two day program.
- Three-Year Olds: Children who have turned three years old as of September 1st have two options for enrollment:
 - Two days per week
 - Three days per week
- Four-Year Olds (Pre-K): Children who have turned four years old as of September 1st have two options for enrollment:
 - Three days per week
 - Four days per week

Little Lambs Preschool admits children of any race, color, national, and ethnic origin. It does not discriminate on any of the above bases in its education policies, admissions policies, and other programs.

Clothing

Children need to wear shoes that have closed toes with socks. Children are scheduled for outdoor activities every day and should be dressed appropriately for the weather.

Children are often uncomfortable or upset if their clothes are wet or soiled. We recommend a change of clothes be brought to school with your child each day in a labeled plastic bag.

Fire and Emergency Preparedness Drills

Each month a fire drill will be held. The drills will be a combination of scheduled and surprise drills, both for the children and the staff.

Emergency preparedness drills are practiced twice per year. The drills cover topics such as severe weather procedures as well as personal safety drills. A written copy of our emergency preparedness plan is available upon request.

Guidance Policy

A nurturing, hugging environment prevails at all times. Through developmentally appropriate activities, materials, and clear limits, we provide a supportive framework for effectively guiding children.

Acceptable guidance techniques include:

- Redirecting the child to another activity
- Verbal corrections
- Planning ahead to prevent problems
- Encouraging appropriate behavior
- Having consistent, clear rules that are developed in conjunction with children

Guidance Policy (continued)

- Describing the situation to encourage the child's evaluation of the problem rather than imposing a solution
- Separation, if necessary

Should a child repeatedly behave in a way that is detrimental to himself/herself, other children or adults, the Teacher will bring the problem to the attention of the Program Director. At that time, parents will be contacted to discuss the problem, and an action plan will be developed.

Illness

We ask you to keep your child at home, when he/she shows signs of illness such as:

- Fever
- An upset stomach (vomiting or diarrhea uncontained, two in one hour)
- A childhood communicable disease
- A rash of unexplained origin
- Any sign of eye, ear or nose infections
- A need for constant one-on-one attention

If your child becomes sick at school, he/she will be excluded from contact with other children, and you will be notified to pick up your child.

Your child may return to LLPS when he/she:

- Has maintained a normal temperature for 24 hours
- Has been diarrhea free for 24 hours
- Has been vomit free for 24 hours
- Has been approved to attend child care from a medical advisor
