

Eighth Grade Graduation!

On Wednesday, June 5th not only will our students be celebrating the end of another school year, but we will be recognizing our two eighth grade graduates. Graduating from the eighth grade does not always seem like a huge accomplishment but I would like to take a moment to let you know just how much these two graduates have done.

Because our school is very small, it is easy to miss just how much these young people do every year. John Lake has been a student here since Kindergarten, and Ivy Upton only a few years less, so they have worked very hard for quite a while. To illustrate this consider their reading list for the just the *second semester* of eighth grade:

- The History of the Kings of Britain (Monmouth)
- Macbeth and Richard III (Shakespeare)
- Sir Gawain and the Green Knight, The Two Towers, and The Return of the King (Tolkien)
- The Divine Comedy: Inferno (Dante)
- The Canterbury Tales (Chaucer)
- Winning His Spurs (Henty)
- Ephesians
- The Bondage of the Will (Luther)

Combine these readings with their math, English grammar, Latin, U.S. History, science, spelling, art, and music lessons and you have a challenging, yet rewarding, education. In addition to their academic pursuits these students have put forth much effort in serving the folks at the Ronald McDonald House, The Village Healthcare and Residence centers, and the Missoula Food Bank each year.

These two know that they have truly accomplished something by graduating from eighth grade at FLCS! Please come out and congratulate them on Wednesday, June 5th at 6:00 P.M.
