

Do you remember what a PiP is? PiPs are Partners in Prayer! Adults from the congregation partner with a student from the school to pray for each other throughout the school year. We also get together to have some fun. Last year we had brunch with our PiPs in the fall and the PiPs made lunch for the students one day before spring. Unfortunately, we did not get to follow through on all of our plans together because of Covid-19. We are looking for PiPs again this year and hoping that we will get to have a lot of fun together.

For health reasons many people are not comfortable going to events right now, even small ones, so we are offering the option of being a prayer-only PiP who does not attend events with the students. This is also a great option for folks who work full time and aren't available for daytime events. We will have correspondence opportunities for these PiPs to get to know their partner through letters, cards, or maybe even a Zoom chat or two. So don't let health concerns or work schedules hold you back from being a valuable part of our students' lives here at First.

There will be sign up sheets in the narthex for those who are attending services in person. If you cannot attend right now, or forget to fill out a form, you can sign up in one of the following ways:

- Call the church or school office, 549-3311 - please leave a message if we don't answer
- Email the school principal, Sue Eberhard, at eberhard.sue@gmail.com

Include your name and contact information as well as what type of role you are comfortable with for this year. These are also the best ways to get in contact if you just have some questions.
