### **SHARE JESUS**

What is the starting place for telling the good news about Jesus?

It begins with our love for others. Love always takes an interest in the good of our neighbor, our friend, our family member, without trying to figure out what we will receive in return. God's love is poured out into our hearts and overflows into the lives of others. Once we recognize how great is our own personal salvation and the enormous love of the Father's heart in saving us, we recognize that this love can remove barriers that stand in the way of our outreach to others.
