

School News

On a cool, rainy Saturday First Lutheran students, staff, parents and board members gathered on a trailer bed to show and spread the news that we have an offering of a Classical Education here in Missoula. Twelve students, 8 parents, 3 staff, school board members, and two other helpers attended and helped out. A big THANK YOU to Roger Dickson for driving the float. Thank you also for the generous outpouring of candy donations. We had just the right amount!

Loaded and ready to start!

Students bundle up as the rain comes down.

Students eager to hand out buckets of candy.
