

We support seminary students who are preparing for ministry.

Vincent Otto, first-year student.  
Member of St. Matthew.

P.J. Aarsvold, third-year student, vicar at  
Bethlehem Lutheran, Lakewood, CO.

Ben Ramthum, third-year student, vicar at  
Zion Lutheran, Bismarck, ND.

Chapel of St. Timothy and St. Titus on the campus  
of Concordia Seminary, St. Louis.

Luther Memorial Tower, with carillon bells. The  
seminary was built in the 1920's in Clayton, MO.

Many of today's seminary students are already married. Over half of the enrolled students are "second-career students" who are preparing for ministry and many have families. The seminary built over 20 apartment units to accommodate the housing needs for these students.

A recent installation at Beautiful Savior Lutheran during COVID-19 times. Pastors gather to ordain and install new pastors who serve locally. Pastor Andrews is third from the left in the black mask, and Pastor Otto is second from the right.

## Worshipping in the Family Life Center during COVID-19 times.

Chairs for 80-100 are set up in groups of one, two, three, four, and even larger family groups... all at least six feet apart.

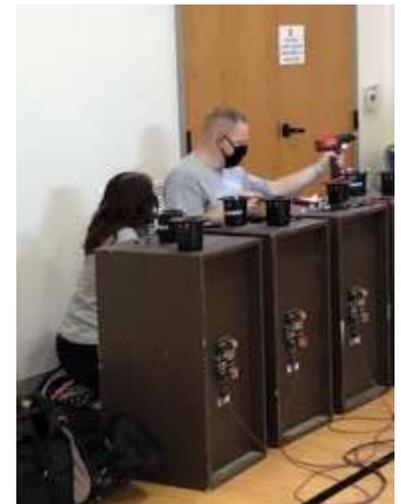

We have an altar, pulpit, lectern, communion table, baptismal font, and banners—our sacred space in which to worship.

An organ helps us sing liturgy and hymns with oneness.

We rented an Allen organ for the Family Life Center while this is our temporary home for worship. Here is delivery day with helpers Jim Haney, Craig Elwell, and organist John Arndt.

Four speakers are needed to produce a full sound for leading worship.

We are providing space for a small greenhouse behind our church, where high school youth will learn life skills and how to care for plants. This project in partnership with Rotary Club and the Pro Deo youth organization.

We are still doing baptisms during COVID-19 times. Recent baptisms have been done for the Johnson, Andrews, Auger, Cline, and Heisel families. God's grace upon His children +
