## Transportation Team Driver

**Mission Statement:** The transportation team of Grace Lutheran Church assists members who cannot commute to church on their own to physically be present at worship and other fellowship opportunities in order to join in community and worship with other fellow members of Grace.

**Description:** A transportation team driver works on a rotating basis with other team members to transport to church those who are unable to attend worship or other church functions, either temporarily or long-term, due to physical limitations.

**Qualifications:**

- Driver's license in good standing
- Dependable
- Able to work well with others

**Responsibilities:**

1. If picking up a regular rider, call the day before to confirm they need a ride and what time you will pick them up.
2. Pick up the Grace member at his or her residence, or other predetermined location, and bring them to worship or other church function on a rotating basis with other team members.
3. Take the member back home or to a predetermined location following church function.
4. Work with other team members to occasionally switch scheduled dates when needed.

**Time Commitment:**

- Currently once a month, but may vary depending on the number of team members, as well as how many Grace members are needing transportation. A driver could also choose to simply be a fill-in driver when needed.
- There may also be occasional opportunities to assist members to church functions during the week, if available.
- At-will commitment, for as long as you are willing and able to serve.

**Relationships:** This person works with the members needing transportation and other members of the transportation team.

**Training:** Training will be provided by another team member.
