*Unless the LORD builds the house, its builders labor in vain.*

*Unless the LORD watches over the city, the watchmen stand guard in vain.*

*In vain you rise early and stay up late, toiling for food to eat—  
for he grants sleep to those he loves.*

Psalm 127:1-2

Three times in the opening verses of Psalm 127, the psalmist speaks of an activity being done “in vain.” If something is done in vain, it is basically wasted energy because at the end of the day it will have accomplished nothing of real and lasting value.

Three things are specifically mentioned as being in vain. The labor of builders in constructing a house which is not also built by the Lord is in vain. The efforts of watchmen guarding a city that is not protected by the Lord is in vain. And finally, working long hours toiling for food without God’s blessing will also be in vain.

Sadly, it seems that a lot of what is done in our world today is being done in vain. Mega-mansions are constructed but no thought is given to God. Nations build elaborate defense systems and maintain huge armies but forget to seek God’s favor. People work crazy schedules and exhaust themselves chasing money or recreation and have no time for God.

There will come a time when these vain pursuits will be seen for the pointless endeavors that they are. In the book of Ecclesiastes, Solomon compared it to “chasing after the wind” (Eccl. 1:14). We have seen it on the scale of nations many of which assembled impressive arsenals but without God the nation fell apart. We often see that no matter how big the house,

families which are not united in their commitment to God splinter. We are truly blessed if we are allowed to see such things before it is too late.

What a blessed promise is given to those who do not forget God! "He grants sleep to those he loves." As we remember our dependence upon God and seek to involve him in our plans, we have his promise of protection. We can go to sleep at night knowing his holy angels stand guard over us. We trust that the key to our success is not working seven days a week. It does not come from squeezing more hours into our day. We remember that God who created all in six days has promised to provide for us. With his blessing our six days of labor will be enough.

As God's children we then ask him to help build our house, to stand guard over us and to provide for all of our needs of body and soul. We can rest in him. With God's blessing our efforts will not be in vain. This is his promise to us. *Therefore, my dear brothers, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain* (1 Cor. 15:58).

In a world filled with vain pursuits, how good it is to know that our labor in the Lord is not in vain. May you find your rest in Him.

In Christ,

Pastor Buchhorn

**Called Voters' Meeting** On October 8 at 9:15 a.m. we will have a special called voters' meeting for the purpose of considering extending a call to a Parish Assistant. Information concerning the candidate under consideration is available to read in the church office. All communicant members 18 and older are eligible to vote and encouraged to attend. May God make His will for us clear and bless the decisions which are made.

**All Saints Day** will be observed November 5 in our morning worship services. All Saints Day is a day to remember and thank God for those who gone ahead of us into heaven and left us an example by persevering to the end. As a part of our All Saints observance we will be reading the names of those who have entered that heavenly rest over the past year (since November 2022). Those who died as members of Grace will automatically be included. If you have another family member or friend who died in the Christian faith and who you would also like to be remembered in our recollection of the faithful departed, please submit their name and relationship to you to a pastor or call the church office by Oct. 29.

## NEWS FROM OUR SEMINARIAN

Greetings in the name of Jesus!

Thank you to everyone at Grace Lutheran Church for their continued support of my preparation for the office of the Holy Ministry! At the time of writing this, I am beginning my second week of classes in a ten-week quarter. I have two classes per day, with one in the morning and one right after lunch. These classes vary from learning about the Gospel of Matthew, to learning how to lead church services, to learning about how theology works. I have also been asked to play the organ for some of our evening chapel services each week.

Learning Greek is a prerequisite to all other classes at the seminary, so I spent this past summer in Fort Wayne in a classroom for a majority of each day. It was very tough and time consuming. We did not receive a letter grade for the class, but it was rather a pass/fail based course. Whatever your final grade was, as long as it was 70% or more, you passed. I passed the course with around a 77%, based on my average from our three tests along with quizzes.

Once again, thank you for all of the support you give me in your prayers. It is truly a blessing to know that I am supported by so many brothers and sisters in Christ back home!

*"I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ."* (Philippians 1:3-6)

Blessings in Christ,  
Riley Hlavac

# CHILDREN'S *Sunday School*

We are off to a great start to telling the wonders of God in our Sunday School classes we have some wonderful teachers who eagerly help students learn about our amazing God. Below is a glimpse into our K-1 class.

Greetings from the Grace Lutheran kindergarteners and first graders! Julie Bose and Kortney Rees will be co-teaching this class this year. We are excited about all of the things we are doing and learning this year. Our year together began by doing a Mentos and Coke experiment. The children loved

watching the soda bubbling out of the bottle, and we discussed how we should all be "bubbling" with excitement to share God's Word. Following Rally Sunday, we began lessons from CPH's Enduring Faith curriculum. The students have biblical stories about creation, Abraham, and Isaac. We enjoy learning about God's word through stories, games, crafts, and songs. We have done many fun crafts this year already such as making paper serpents, doing sand art, and creating stained glass windows. Additionally, we are working on learning the Lord's Prayer and understanding what it means. We want to thank the parents and guardians for bringing their children to Sunday school. Attendance has been excellent this year, and we pray that this continues so we can all grow together in our faith.

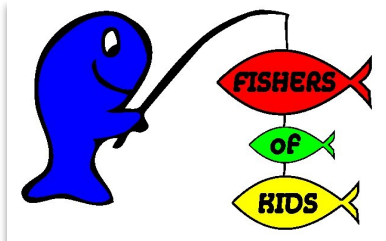

K-1 Sunday School Class showing off their snakes

Sunday School begins with a unified opening in the basement fellowship area where we enjoy cookies and muffins (thank you KimBerly) , celebrate good news and are introduced to the lesson for the week. Following that students go to music and class. Come and be a part of the excitement.

## Fishers of Kids

Preschool is off to a GREAT start!

We have ten students in our M/W/F class, and eight students in our T/TH class. The students have been busy getting to know each other, and learning our school routine. This month, the students discovered ways on how to be a friend and make friends. They also learned about our class community and their neighborhood. In October, we **will be having Parent/Teacher conferences on Sunday, October 15th**, and the children will also be singing in church that morning. Our October themes include: Autumn, Night Sounds, Fire Prevention, Pumpkins , and Chipmunks. Our fall parties will be held at the end of October. We look forward to a busy month.

**Midweek Classes** meet each Wednesday from 6:30—7:30 p.m. These classes provide an opportunity for students from 3rd through 8th grade to grow in their understanding of the Christian faith and what it means to live as a Christian. Thank you to our dedicated teachers who work each week to prepare engaging lessons. If you would like more information on Midweek classes please contact the church office or Pastor Buchhorn.

**Trustee Report** – Roof leak from the bell tower into the sanctuary will require the lifting of the bell and replacement of the bell mount. Repairs in the lower-level bathroom ceiling along with repairs and wall touch ups in the Preschool Sunday School room are needing to be completed. Heating issues in the restrooms and conference room upstairs in the education wing is still being evaluated, the cost of the electrical upgrade may require reconsideration of the initial plan. A leak into Pastor Buchhorn's office when it rains has been diagnosed as coming from a downspout issue which been fixed by Craig. Heat tape was also inserted into the main drainage line to avoid freezing this winter which led to other basement leaks. Further discussion was held concerning the bids for concrete work on the curbing in front of the preschool. Two proposals are under consideration. One involves replacing the curb which presently is cut for a driveway with a standard curb, the other involves retaining the driveway cut and replacing a section of concrete from the road to the sidewalk. Merit was seen in both proposals and it was decided to allow the voters to decide this issue at the annual meeting in November.
