

As you listen to and watch the story this week, listen for the answer to the following question:

“How did God show his love for Adam and Eve?” Then think about the ways that God also show his love for us!

Although there are many blessings that God gave Adam and Eve (and us too!), in our story we hear about 4 specific blessings:

1. God gave Adam and Eve the blessing of **life**. He created them and gave them life.
2. God gave Adam and Eve the blessing of a beautiful **home** in the Garden of Eden.
3. God gave Adam and Eve the blessing of satisfying **work** - taking care of all that was in the Garden of Eden.
4. God promised to give Adam and Eve many children (so many that their family would fill the earth), God gave Adam and Eve the blessing of **family**.

Has God also given you these blessings??

Yes he has... just like Adam and Eve, God created you and gave you **life**. Psalm 139:14 tells us that God wonderfully made us too: **“I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well”**.

It is also easy to recognize that we have a blessings of **family** and **home**. Think of the warm, safe **home** you live in. Think about your comfy bed and bedroom. What about your family?? Whether you have a small family or a big one, it is truly a blessing to have our **family** to love and to care for us!

Is work a blessing??? It sure is! Work is definitely different for our Sunday School students than it is for the grown-ups in your life, but even as a 2nd – 4th grader you have **work** to do! Think about the types of work you may have to do: school work, household chores, obeying your parents... even though you may be young, you still have the opportunity to work, and you can show God you love him by doing your work well! In all we do, we should glorify God!

This week we have a worksheet on the back side of this page for you to complete. We also have an art project to create. I will include a separate document with the answers for the worksheet and instructions for the art project. Remember we would love to see a picture of you and your art project so email us a picture when you are done!
