15 Second Thought

Name four things that people are afraid of.

- 1.
- 2.
- 3.
- 4.

Why are people scared of those things? In many cases, fear is brought about by uncertainty, no knowing. You don't know if that spider or snake is poisonous. You don't know what's lurking the dark. You don't know how you'll pay for things we you lose your job. You don't know! God's people found themselves in a scary situation. Even after seeing God's power in the plagues of Egypt, God's people couldn't see how he was going to rescue them from the dire situation they found themselves in. See how God rescued his people, once again doing what he had promised and be strengthen in your faith for God to do the same for you.
