

To Tell the Truth . . .

PART 1

Imagine that you are one of the soldiers who witnessed the angel opening Jesus' empty tomb. You have refused to accept the Jewish leaders' money and have decided to tell the truth about what you saw on Easter Sunday morning. Tell in a few sentences what you saw, heard, and did.

PART 2

We can be sure that Jesus showed his power over death by rising from the dead on Easter Sunday morning. Next to the empty tomb, write three ways that you can thank and praise your living Savior.
