

# Neighbors Unite Against Cancer!

## Let's Shine On!

*...because cancer never sleeps*

**Holy Cross Lutheran Church**  
**Sunday, September 20th at 7:30pm**

Cancer is relentless. It doesn't stop for anything, even a global pandemic. That is why we can't stop either and why we need your help. We are in danger of losing a generation of progress in scientific research and lifesaving cancer treatments if we don't act now. The end of cancer begins with research, which is why it is vital to achieving our mission. Research takes years to come to fruition. A cancer breakthrough begins perhaps 10-20 years earlier. If research is disrupted today, it means lives lost tomorrow.

With the "Neighbors Unite Against Cancer" campaign at **Holy Cross Lutheran Church, 2639 NC-150, Lincolnton, NC 28092**, we will unite our community to show our support to everyone who has faced a cancer diagnosis. We will join on September 20 and light luminaria at **Holy Cross Lutheran Church** to remember and to honor the people in our lives who have faced cancer. Neighbors Unite Against Cancer will take place in communities all over the Carolinas and we are proud to be a part.

**We are asking for your financial support.** You have the option of making a tax-deductible contribution to **American Cancer Society** of any amount that you chose, or you can make a tax-deductible purchase of a luminaria in honor or memory of someone who is battling this disease or has lost their life due to cancer. Now more than ever, we are so grateful for the passion and dedication of Relay For Life volunteers and supporters. Thanks so very much for your support of the fight against cancer!

Please **print** the names of those you wish to honor or remember & include a charitable contribution for each luminaria. Suggested donation \$10 per luminaria. You can make a general charitable contribution to "American Cancer Society".
