

Our indoor regathering task force has put forth the following guidelines as we regather indoors at Holy Cross. These guidelines are to help us stay as safe as possible.

- We will continue to live stream worship at 10am on FaceBook Live.
- Please stay at home if you have any of the following symptoms:
Fever or chills, Cough, Shortness of breath or difficulty breathing, Fatigue, Muscle or body aches, Headache, New loss of taste or smell, Sore throat, Congestion or runny nose, Nausea or vomiting, Diarrhea
- If you are in a high risk category, we ask that you please stay safe at home, and continue to worship with us online.
- Wearing masks over nose and mouth will be mandatory for those worshipping in the building. Masks will be provided for those who do not have them.
- We will be maintaining 6ft social distance between families. Some pews will be taped off to help with this. We also ask that you keep 6ft apart between families in the row you are sitting. *(to help with this, know that each individual pew is approximately 6ft.)*
- We ask that you not congregate in the narthex (entrance) as we enter and leave the worship space. If you wish to talk to one another, please move outside.

Thank you for helping us as we move forward in these difficult times.

May God bless our worship with grace and love.
