15 Minute Family Sheet

Our Story!

This week we are exploring God's creation. Take time to read Genesis 1 and 2. If you have a storybook or children's Bible that covers the story of creation use that.

Make a Joyful Noise

To help us remember how God looks after his creation, our song this week is: He's Got The Whole World In His Hands. Sing it as a family, or have your kids give you a small concert.

Family Devotion

In our Bible reading today we heard about how God created the world and all that is in it. God spent time with his creation. He still spends time with his creation, us. He comes to each day through his word, the Bible. We can talk to God through our prayers. When are times that you feel close to God?

Let's Get Creative!

God created all the animals in the world! Today we are going to make some animals of our own. Follow the link to learn how to make a rabbit from a facecloth. I'd love to see your creations! Email them to me at: lenora@holycrosskitchener.org
