15 Minute Family Sheet

Our Story!

This week we are going to hear about how God provided for the people of Israel after their escape from Egypt. Read Exodus 16:1-18.

Make a Joyful Noise

God always looks after us. One of the ways that we say thank you is through our songs. To help us, do this our song this week is: Hallelu, Hallelu (Praise Ye The Lord). Sing it as a family, or have your kids give you a small concert.

Family Devotion

Like the Israelites in our Bible reading we can sometimes feel that we can't survive where we are. We feel like God has abandoned us in the desert. God provided manna for his people, and when that wasn't enough, he sent them quail as well. God often sends us blessings, but sometimes they aren't what we had in mind. Can you think of a time when God blessed you in a way that you weren't expecting?

Let's Get Creative!

God looked after the Israelites by making sure they had food and water. This week we going to make a blessings jar. Decorate an old jar (canning, jam, any old jar). Each day, put in a slip of paper that says how God blessed you that day. At the end of the year read all the slips of paper and see how God has been with you. I'd love to see pictures of your jars!
