15 Minute Family Sheet

Our Story!

This week we are going to read the story of the Bronze Serpent from Numbers 21:4-9. While the people of Israel are being punished for their rebellion by a plague of poisonous snakes, God also provides them with a cure.

Make a Joyful Noise

Today our song is God Is So Good. God looks after us no matter what is happening. We sing songs of praise to God to show him how much we appreciate all that he does for us. Sing this together, or have some family members do a concert as a family

Family Devotion

When we disobey our parents there are consequences. When Adam and Eve disobeyed God they brought sin and death into the world, but God provided the cure: his son Jesus. Through his death on the cross we are freed from our sins and receive eternal life. When God punished Israel for disobeying him, he also provided them a cure. God loves his people, even when we go against him and sin. He makes sure that we can receive forgiveness because of Jesus death and resurrection.

Let's Get Creative!

God had Moses make a snake for the people to look at when they got bitten. Today we are going to make snake out of a paper plate that you can hang up to remind you how God looks after us. Using scissors cut a paper plate into a snake shape. Decorate and hang with sting or thread. There is also a template if you would like to use paper instead.
