15 Minute Family Sheet

Our Story!

Earlier we heard about how God provided mana and quail for the Israelites, today we are going to hear how he provided bread and fish to more than 5,000 people! Read John 6:5-13 as a family.

Make a Joyful Noise

Jesus gave the loaves and fish to the people gathered to see him. Today, God gives us the Fruits of the Holy Spirit. Today's song is all about these fruits! Try to sing along with the song!

Family Devotion

God uses us to care for others. Today we heard about how Jesus used one person's lunch to feed a HUGE group of people. In our song we hear how the Holy Spirit gives us gifts so that we can be good to the people around us, even though our sinful nature means we might not want to. God is always using us to spread his word and love through the world. He uses our words and actions to show people how much he cares for them. What are things that you do to help care for the people around you?
