Happy Birthday

Duke Andrade	Jan. 8 th	6 Years Old
Emerson Phillips	Jan. 11 th	3 Years Old
Arinna Hill	Jan. 12 th	4 Years Old
Easton Damera	Jan. 26 th	3 Years Old
Evelyn Andrade	Jan. 31 st	9 Years Old

IMPORTANT NOTICE

The first day back for our V.P.K Children is on Wednesday, January 6, 2021.

V.P.K will start the mid-year testing on **Monday, January 11th – January 22nd** there will be no parent teacher conferences at this time.

2021 – 2022 V.P.K registration may be completed starting in January. The site to register is: <https://familyservices.floridaearlylearning.com>

You will need to upload your child's birth certificate, your driver's license, and proof of residency (a phone, electric or water bill). They will email you a copy of your child's voucher. Please be sure to sign and give it to Ms. Dawn to secure your spot in one of our V.P.K classes.

V.P.K is done on a first come first serve basis.

Little Lambs Preschool has made some changes just before the Christmas break that some parents may not be aware of. Your patience will greatly be appreciated.

1. Children are now being dropped off at the front door of the preschool where they will have their temperature taken. At pick up time the parents will remain outside at the door where I will return your child to you. Please be sure to wear your mask and keep 6 feet away from one another. There are marked spots on the ground for your safety. The only people permitted inside of the building are the children and staff of the preschool.

2. Chapel is being done at 9:00 AM in the classrooms where they will continue to sing songs and have a Bible story and prayer.

3. Keep your child home if you, a family member, or your child is sick. This will help reduce the spread of an infection.

4. A staff member will sign your child in and out daily.

I truly hope that when Covid-19 dissipates that we can all go back to some normalcy. Until then we are going to continue to do our best to keep everyone healthy at school.

Please be sure to dress your child properly during our cold days. In the event your child does not, they will not be able to go outside. If you need clothing for your child feel free to send Ms. Dawn an e-mail. I will help!
