## **Building Hope for the Future Commitment Card**

The commitment card you see below is a sample of the one you will be given during the Commitment Celebration Sunday on November 3rd. Our prayer is that each member of Hope will complete this card and present it as unto God during our Celebration Event as a result of specific instruction and leading by God through the Holy Spirit.

The way in which you present your gifts to the "Building Hope for the Future" campaign is a personal decision. In order for us to plan better and coordinate the gifts with our goals, please consider the method in which you will give to the campaign and complete the appropriate lines of the card.

In the next few weeks, you will receive a commitment card for the **Building Hope for the Future** Campaign. Once you have studied God's Word about stewardship and have prayed to ask for His guidance in determining the amount of your own sacrificial commitment to this campaign, you are ready to fill out the card. Each must determine what they have decided in their own heart to contribute.

Because personal circumstances vary, filling in the card to reflect a planned method of contribution may also vary. Some of those options are addressed here to help you better understand how to fill out the card.

On the line labeled **3-Year Commitment** enter the grand total dollar amount that you plan to contribute throughout the campaign. Include in this total all First-Fruit contributions, lump-sum contributions, and planned periodic payments such as weekly, monthly, quarterly, semi-annually, or annually – all added together.

**First-Fruits Gift** is the amount you may choose to contribute during the First-Fruits period at the beginning of the campaign. The First-Fruits amount is part of your total 3-year commitment, not in addition to it.

Once you have determined how much you choose to designate as a First-Fruits Gift, subtract that amount from your Total Commitment number to determine how much remains to be contributed over the three-year period. The lines below the First-Fruits Gift allow you to designate how you plan to spread out your remaining contributions toward the total 3-Year Commitment.

**Weekly**: If you plan to contribute on a weekly basis, divide your remaining contribution by 156 and place that number on the line labeled **Weekly**. Leave the other lines blank.

**Monthly:** If you plan to contribute on a monthly basis, divide your remaining contribution total by 36 and place that number on the line labeled **Monthly**. Leave the other lines blank.

For other contributions, use the last line and circle the word that indicates your plans such as **Annually, Semi-Annually, Quarterly, or Lump Sum**. Leave the other lines blank.

Next, fill in the name and address portion and sign your commitment card. Insert the completed card into the confidentiality envelope and return it either during the Initial Commitment Event or on Commitment Celebration Sunday.
