

## Supplementary Material Abraham Bible Study Session #20, 6-1-21

“Behold I stand at the door and knock” Revelation 3:20

Some believed and were saved – Others perished.

In our previous supplemental lesson we had like God speaking his living words for the old testament prophets. We can observe today that some receive gods living word eagerly, their faith is strengthened and they are saved. On the other hand, there are those who ignore God’s word when he speaks to them through the lips of his old testament prophets they were lost eternally.

Hebrews 4:6

We can observe that after Christ ascension into heaven, the apostles preached in a lot of different areas. They preached “repentance for the forgiveness of sins... In his name.”

Luke 24:47

We also observe the New Testament church of Christ. Some hear through the lips of the apostles and believe. Others do not hear, and still others fall away from the faith.
